Manpower called key crime curb

By WALTER STRANGE
Press-Record Staff Writer

The major problem in combating crime in the Quad-Cities is lack of manpower, according to area police chiefs. Chief Ronald Veizer of Granite City, Chief Frank Dutko of Madison and Chief Ralph D. Brawley of Venice were guest speakers at the Granite City Rotary-sponsored prayer breakfast held last week at Charlie's Restaurant with 45 civic, business, labor, political, educational and religious leaders attending.

Narcotics and problems with the Illinois Department of Corrections were listed close behind manpower as adding to the crime problems.

Chief Veizer said in regard to manpower, "The nationally recommended ratio of the International Association of Chiefs of Police is 1.5 police officers per 1,000 population. We here in Granite City have 49 police officers, including myself. If the recommendation was followed, our force would be about 62. Madison also is far below the recommended number."

"One thing that many people do not realize is that you need police 24 hours a day, seven days a week. When you consider this is an eight hour shift, five days a week, plus vacations and occasional sickness, you need this ratio to give adequate coverage and protection," Veizer added.

"Another thing in regard to manpower is that we are so close to St. Louis and East St. Louis. There is much spillover as crimes are committed in our area by residents of these cities. This is even more true in

Madison and Venice," Veizer noted.

Chief Brawley said, "Last night we had an armed robbery at the Tri-City store and all three suspects were from out of town. Most of our serious crimes are not by local people. They come from St. Louis or drive in from East St. Louis."

"We also have men tied up waiting for court appearances for hours, and sometimes for days," Chief Dutko said.

"Law enforcement money is being spent for everything but items directly related to it, such as personnel. They have more studies and experimental correctional programs going on by the federal and state governments than you can imagine, and the public is getting very little good out of their tax dollar," Veizer said.

"Narcotics still is one of our major problems because these junkies and pill poppers need to rob and steal to take care of their habits," Brawley said. "Although alcohol is a problem, you rarely see people committing armed robbery for a case of beer. But they will for a bottle of pills, marijuana or heroin."

"The Department of Corrections is one of the biggest thorns in the sides of law enforcement today in Illinois," Chief Veizer noted.

"They have Holiday Inn standards for jails. They are continually turning repeaters back on the streets and their director won't even answer correspondence or attend a meeting to discuss mutual problems with the Illinois Chiefs of Police Association," Veizer added.

State said to be heading toward higher tax level

The Illinois state government is spending itself into a severe financial predicament that could lead to a higher level of taxation unless the pattern is

changed, the Illinois State Chamber of Commerce president said here Thursday night.

Lester W. Brann Jr. spoke on

"Understanding the Need for Business Profits" at the 35th annual meeting of the Tri-Cities Area Chamber of Commerce, held at Sunset Hills Country Club.

Brann, the full-time executive of the statewide business organization, told a dinner gathering of more than 300 that state spending has been rising at an average rate of 12 per cent a year while revenue available to meet such costs has been increasing at nine per cent annually.

At present, the state expenditure pattern is \$111 million out of balance when compared to projected income, it was noted.

"The well is dry," Brann said in calling attention to a sharply depleted state financial reserve.

He said there will be a major effort by many this month to persuade legislators to override spending reductions enacted by the governor, but that such overrides could increase the imbalance from \$111 million to \$146 million.

"Taxation is only one of the factors affecting business profits, Brann said, adding that profits are the only way to generate the funds used by both government and private firms.

He related that 65,000 persons are employed by governments in the U. S. to regulate businesses, utilizing 700,000 different types of forms.

At a time when potential investment funds are needed to finance expansion of production facilities, government has increased its "take" of the available capital from 20 per cent to 90 per cent, Brann asserted.

Retiring Tri-Cities Chamber President C. A. "Jack" Dempsey installed as 1975-76 officers William F. Winter, president, Fred J. Barr and Donald E. Van Horn, vice presidents, and Howard E. Schuenke, treasurer.

Miss Dorothy Davis, retiring president of the Women's Division of the Chamber, installed Mrs. David (Janet) Partney as president, Mrs. Paul (Billie) Schuler as vice president, Mrs. Allen (Mary) Jessee as treasurer, Mrs. Herman (Norma) Schroeder as secretary and Mrs. Richard (Marti) Kiasner and Mrs. Norman (Kay) Hall as directors.

E. A. Karandjef served as chairman of the annual meeting committee and presented a plaque and gift to Dempsey in recognition of his service to the organization.

Mrs. Partney made a similar presentation to Miss Davis.

Leo H. Kozien served as master of ceremonies and prayers were offered by the Rev. Dr. Paul Surbey, pastor of St. John's United Church of Christ and president of the Quad-Cities Ministerial Alliance.

Newly seated Chamber directors recognized were C. E. Blankenship, B. J. Davis, Ted Ellerman, Henry R. Gabriel, Andrew C. Gilchaff, Allen L. Jessee, Edward N. Juneau,

University to celebrate first decade

A year-long celebration of the tenth anniversary of the opening of the central campus of Southern Illinois University at Edwardsville will be launched Monday, Oct. 13, with a two-hour observance in the University Center.

A special news and advertising section in today's issue of the Press-Record, entitled "Perspective '75—Ten Years of Achievement," presents detailed information about the local university upon the completion of its first decade of operation.

According to A. R. Howard, director of the celebration, an address by President John S. Rendleman at 10:30 a.m. Oct. 13 will kick off a week of anniversary events and a continuing series of activities

throughout the academic year. Pres. Rendleman will speak at a public convocation in Meridian Ballroom, followed by a reception in Goshen Lounge, with anniversary cake and punch served and entertainment by the Old Guys Jazz Band.

The convocation program will include music by the SIUE Concert Chorus under the direction of Leonard Van Camp and introductions of dignitaries who have had prominent roles in the development of the local campus.

An exhibit of historical photographs depicting key developments in the growth of the university will be on display on the second floor of the University Center.

Arrests after robbery

The alertness of John Crook, a Venice police officer, in noting the license number of a car carrying three men, led to the apprehension of three suspects in Hillsdale, Mo., later Thursday afternoon.

The three men entered the store Thursday afternoon while two customers were there. One of the trio looked at a leather coat and asked how much money he would have to place down on the coat to hold it.

Pedigo was told to lie down. His hands were bound with a surgical tape.

The trio took \$100 in cash, and stole from the manager a Masonic ring valued at \$400, a watch worth \$200 and his wallet containing \$11.

The men also took the leather

return.

After the customers left, the three men returned. Pedigo was talking on the phone when they entered. One of the men approached, displayed a pistol and told him to hang up the phone.

Pedigo was told to lie down. His hands were bound with a surgical tape.

The trio took \$100 in cash, and stole from the manager a Masonic ring valued at \$400, a watch worth \$200 and his wallet containing \$11.

The men also took the leather

NEW CHAMBER YEAR began Thursday night with the annual installation dinner. Left to right are William F. Winter, 1975-76 Tri-Cities Area Chamber of Commerce president; Ernest A. Karandjef, chairman of

the annual meeting; Lester W. Brann Jr., president of the Illinois State Chamber of Commerce; and C. A. Dempsey, retiring Tri-Cities Chamber president.

(Press-Record Photo)

Alan Dixon running for governor

State Treasurer Alan J. Dixon of Belleville today announced his candidacy for the Democratic nomination for governor of Illinois.

Dixon, who last year was re-elected as state treasurer by the largest margin of any Democratic state candidate in the history of Illinois, pledged "an administration of leadership rather than confusion, of substance rather than public relations."

Dixon, 48, a 20-year state legislator before becoming state treasurer in 1970, as treasurer has initiated many new programs designed to promote community service by financial institutions.

His concept in these programs is "founded on a partnership between the state treasurer, a financial institution and a loan applicant."

A graduate of the University of Illinois and Washington University School of Law in St. Louis, he is a member of the Illinois State and St. Clair County Bar Associations and the American Trial Lawyers Association.

Dixon was born and raised in Belleville, where he resides with his wife, the former Joan Fox. They have three children.

(Continued on Page 4)

Weather outlook for this region

Sunny and mild today with high in upper 70s. Clear tonight. Low in the low 50s. Tuesday sunny and mild with high near 80. Considerable cloudiness Wednesday through Friday. Chance of showers Wednesday and Thursday, clearing Friday. Highs Wednesday in the mid-70s to low 80s; lows in the mid-70s to upper 50s. Cooler Thursday and Friday with high in mid-70s to mid-70s, and lows in the mid-40s to mid-50s.

Democratic club to study bylaws

Approximately 65 people attended the first meeting of the reorganization of the Granite City Democratic Club Thursday night at the assessor's office in Granite City.

A reorganization meeting had been called by Assessor Von Dee Cruse and Dick Allen, a local attorney, both former Democratic city chairmen for Granite City.

Among those in attendance was Nelson Hagman, chairman of the Madison County Board and leader of the Democratic party in Granite City and Madison County.

Nick Petrillo, head of Petrillo Produce, was selected as temporary chairman. A 7:30 p.m.

discussion was held concerning proposed bylaws, after meeting nights.

It was reported by Allen that John Kraynak, Madison County auditor and treasurer of the former Granite City Democratic Club, has said there is a balance in the treasury of the old club that can be turned over to the new group.

Petrillo was empowered to appoint a committee on bylaws, as well as a temporary steering committee to handle further organizational procedures, such as the election of officers.

It was agreed that the next meeting will be Thursday, Oct. 16, at the assessor's office at 7:30 p.m.

'Learn not to burn' theme

"Learn Not to Burn" is the theme for this year's Fire Prevention Week which began yesterday and continues through Saturday.

As a "warmup" for the year's observance, a fall fire drill was held last week at the Press-Record office which included rescuing someone from a second floor window on the aerial truck ladder, climbing onto the roof on another ladder, hooking up fire hoses and stringing hoses into all parts of the building.

The drill marked the first time firemen have had an opportunity to practice in a downtown commercial building. Fire Chief Don Parente noted such drills are both the fire department and the building owner, since firemen would, in the event of a real fire, know their way around the building and would be familiar with problems which may be encountered.

Parente said anyone willing to have a fire drill in their building should contact him. The firemen also are offering a demonstration on the uses of various types of fire extinguishers so employees will know which fire extinguisher to use on any type of fire.

Another activity of Fire Prevention Week is open houses at all three Granite City fire stations each evening from 6 p.m. to 9 p.m. Tours for groups can be arranged by calling the fire chief's office at 877-6114.

Home fire inspections are available at any time by calling the fire department, it was noted.

Fire drills in schools, nursing homes and St. Elizabeth Hospital also will be included in this week's activities.

The purpose of Fire Prevention Week is to alert residents and businessmen to the dangers of fire and to point out some of the things that can be done to reduce the threat of fire.

"Learn Not to Burn" means learning to avoid starting a fire

— whether through accident, carelessness or just plain ignorance — and learning how to keep your environment fire-free.

(Continued on Page 11)

Extradition proceedings to return three Hillsdale, Mo., men to Madison on charges of armed robbery have been initiated by Madison police following the holdup of Wayne's Men's Wear, 408 Madison Ave., Thursday afternoon.

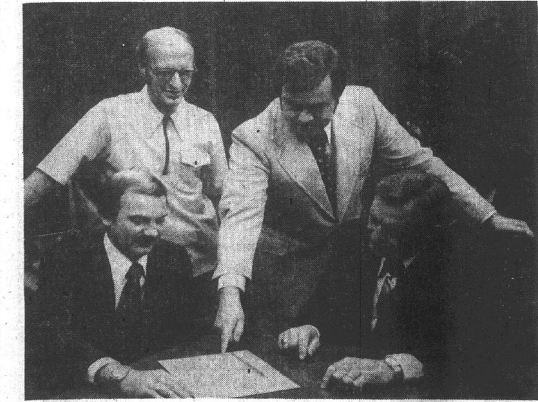

Three men, one of them armed with a pistol, held up the store Thursday afternoon while two customers were there. One of the trio looked at a leather coat and asked how much money he would have to place down on the coat to hold it.

Pedigo was told to lie down. His hands were bound with a surgical tape.

The trio took \$100 in cash, and stole from the manager a Masonic ring valued at \$400, a watch worth \$200 and his wallet containing \$11.

The men also took the leather

Optimists to install

Dave Brooks, distribution superintendent of the East St. Louis and Interurban Water Co., will be installed Thursday evening as president of the Granite City Optimist Club. The installation, which will begin with a social hour at 7 p.m., will be held at Tony's restaurant, 5240 Nameoki Road. Frank McGinnis is the retiring president. Other club officers to be installed are Jim Siz and Scott Hendrickson, vice-presidents; John McDonald, secretary-treasurer; and Mike Tharp, sergeant-at-arms. Directors of the Optimist to be installed are: Frank Rea, Carl Roach, Ted Ellerman, Jack Dempsey, William Monical, Maurice Bailey, Carl Ranft, Alan Walker, Dave Fox, Larry Gipe, C. J. Lauters and McGinnis. President McGinnis reminded the club that tickets for the joint Rotary-Optimist Camelot Auction Saturday should be sold and the ticket stubs, with the names filled out, turned into Secretary McDonald. Keith Neuber, staff psychologist with the Quad-City Mental Health Center, was the guest speaker. Neuber noted that one of the major problems in mental health is that it is not understood by the public. In today's life style there is heavy stress on everyone. "Stress is a big factor today and people have problems in living and need someone to talk to once in awhile. We need to tune in to our emotions and feelings. They aren't something terrible," he said. "Mental health is a community responsibility and just as we put emphasis on keeping physically healthy, we need to keep ourselves mentally healthy," he added.

Terry Moore divinity senior

Terry Moore, son of Mr. and Mrs. George E. Moore Sr. of Granite City, is entering his senior year of study toward the master of divinity and master of Christian education degrees at the Reformed Theological Seminary, Jackson, Miss. A 1967 graduate of Granite City High School, Moore holds the bachelor of arts degree from the University of Missouri. He is married to the former Susan Drake Adams and they are the parents of two children. The Moores are members of Cedar Springs Presbyterian Church, Knoxville, Tenn. Begun in 1966 with an enrollment of 17 students, Reformed Theological Seminary opened the 1975-76 session with an enrollment of nearly 300 students. The seminary serves all branches of evangelical Christianity, but especially churches of the Presbyterian and Reformed faith.

SICKLE CELL ANEMIA TESTING. Nearly 1,800 children in the Madison and Venice schools were tested during the last two weeks for Sickle Cell Anemia, an inherited disease in which the red blood cells contain an abnormal type of hemoglobin that is responsible for

carrying oxygen throughout the body. At the left is Harris School Third Grader Brian Brown being tested by Mrs. Sharon Hughes, a staff member of DePaul Hospital's Sickle Cell Disease clinic. (Press-Record Photo)

\$42,000 project among building jobs

A permit for a \$42,000 maintenance garage at Air Products & Chemical Inc., 2204 Monroe St., was among 23 permits listing values of \$81,353 issued by Granite City during the second half of September. The second half of the month statistics brought the number of permits issued during September to 60, with values totaling \$163,737. Three permits to raze structures also were granted in September, all in the second half of the month. The number of permits and values are close to September of 1974, when 55 permits with values totaling \$89,788 were issued. Last month's total, however, is below the August total of 73 permits with values totaling \$236,355, which included a \$52,575 freezer at Prairie Farms Dairy and a \$23,000 addition to the law office of Dick Allen. Permits issued in the second half of September included two for additions totaling \$9,200; two for garages and carpenter's work a total of \$3,200; 16 to remodel and repair buildings at a total cost of \$25,153; one \$42,000 commercial and industrial permit, and two for miscellaneous projects totaling \$1,800. Permits issued in the second half of the month, besides the Air Products garage, were to: Joe Mendoza, 330 Niedringhaus, enclosure porch, \$100; Jake Hayes, 2929 Denver, repairs, \$400; Homer Blumenstock, 2531 Woodlawn, new roof, \$500; National Auto Parts, 1843 Madison, repairs, \$2,800; Leo

Pelek Realty, 2775 Madison, billboard, \$1,800, and Herschel Casey, 3161 Aubrey, carport, \$1,200. Norm Fisher, 2144 and 2146 Cleveland, repairs, \$3,400; Boris Elieff, 3702 Nameoki Road, sign, no value listed; Bud Viessman, 2536 rear Madison, siding, no value listed; Earl Brown, 1325 Edwardsville, repair roof, \$25; Robert Kencke, 2409 Grand, aluminum overhang, \$1,400; Roger Jacob, 3017 Nameoki Drive, aluminum siding, \$1,750; John Hanson, 2019 Madison, remodel front porch, \$1,000, and Greenberg Development Co., 3675 Nameoki Road, remodeling, \$1,495. William Smith, 2544 Jorden, aluminum siding, \$3,083; David Gray, 2809 Dale, aluminum

Car jumps median hits parked van

An auto operated by Mrs. Katherine A. Nemeth, 62, of 2900 Saratoga Ave., leaving the Coolidge Junior High School driveway on Nameoki Road at 3:10 p.m. Thursday, jumped the median, crossed both northbound traffic lanes, moved the opposite curb and struck a van belonging to John Loi Jr. of Chesterfield, Mo., parked on the Bellemeor Village parking lot. Mrs. Nemeth was taken by ambulance to St. Elizabeth Hospital where she was treated for an injury to the nose and was released.

TAKE CASH FROM PURSE
 Patti Evans, 163 Briarwood Drive, reported at 7:30 p.m. Thursday that someone removed \$45 from her purse while she was absent for a few moments from her office at Granite City High School South.

Judy Ray (Dugan) Staines from William Earl Staines, both of Granite City. They were married Sept. 21, 1972, and separated in June 1975. Mental

WATCH STOLEN
A gold, bracelet-type woman's watch valued at \$200 was reported stolen at 2:55 p.m. Friday from the home of Sharon Bridges, 2014 Edwardsville Road, Madison.

Funeral services were held Sunday in Murphysboro, Ill., for Edward S. Bardmess, 47, of 1910 Sixth St., Madison, who collapsed on the roof of his home which he was repairing, and was pronounced dead upon arrival at 4:40 p.m. Wednesday at St. Elizabeth Hospital.

The Madison Fire Department and ambulance personnel assisted in removing Mr. Bardmess from the roof. When efforts to revive him failed he was taken to the hospital by ambulance.

He is survived by his wife, Mrs. Joyce Bardmess, seven children and five sisters. The wife was born in Western Cemetery, Murphysboro, Ill.

Dixon

(Continued from page 1)

Stephanie, Jeff, and Elizabeth. He told the Press-Record today, "I am a candidate for the Democratic nomination for governor."

"The decision did not come quickly or easily. It arose from deep conviction related to three key factors."

"First is the unprecedented array of problems facing our state today."

"They're unprecedented not only in their enormity and the number of lives affected, but also because—unlike earlier periods—virtually every one of our vital challenges this time can be traced back to only one element: money."

"Our health, our environment, our homes, our schools, our jobs, our futures are all tied more tightly than ever before to the dollar."

"Obviously, among our 50 states, Illinois is by no means alone in this struggle. But what has not been obvious to many—including our governor—is the fact that Illinois is one of the 'lone' laggards in the frantic nationwide race to keep up with the 'Joneses'."

"Once in the forefront of economic growth, our state has fallen far behind in the pack in almost every key measurement."

"More taxes are emphatically not the answer. Good fiscal management is part of the answer. And revitalizing our industrial might is the other part."

"The second reason is bitter disappointment and frustration."

Time at home _____

During my five-year stewardship as state treasurer, I've had the best seat—and the worst seat—in the theater from which to watch this scenario develop.

"The best seat, because I could view first-hand the dimensions of our growing problems. The worst seat, because I could only collect and disperse our state funds, while powerless to control the spending that created our mounting deficit."

"After working hard to help elect our present governor, swallowing totally the promises and hope he offered us to elect him, I waited in vain for solutions to come. They never came. Our problems only worsened."

"Eloquence was never translated into energy and ideas. With each passing month in office, he became not only a more bitter disappointment to me and to the party that worked to elect him, but to the people of Illinois."

"Finally, this year, the Democratic Party walked away from him in disgust, although he'd rather have you believe that he walked away from the party."

"A leadership vacuum existed. I was asked to fill that vacuum. I was asked not by the people of Chicago—as our governor would have you believe—but by people from every corner of this state."

"From the street corners of my home town of Belleville... from Springfield... from Rockford... from Carbondale... from Winnetka."

"If I needed persuasion at all to run, this was the source of it, and this will continue to be my greatest source of confidence and support."

"The third factor originated within me. It is my deep, abiding conviction that my own experience and capabilities are

Births

Births recorded at St. Elizabeth Hospital.

Mr. and Mrs. Michael Munoz, 2652 Iowa St., Oct. 3, Jennifer Renee, six pounds, five ounces.

Mr. and Mrs. Terry Wills, 2633 E. 27th St., Oct. 3, Ellen Elizabeth, eight pounds, two and a half ounces.

Mr. and Mrs. Ricky Singleton, 3178 Jill Ave., Oct. 4, Melissa Ann, five pounds, nine ounces. Mr. and Mrs. Stanley Hargrove Sr., 2832 Iowa St., Oct. 4, Julie Ann, eight pounds, 15 ounces. Mr. and Mrs. Jackie Yates, 2415 Hemlock Ave., Oct. 4, Jackie Lee Jr., eight pounds, two ounces.

Mr. and Mrs. Anton Walch, East St. Louis, Oct. 5, Kristina Renee, eight pounds, three ounces.

BOYS

Mr. and Mrs. Gerald Ashford, Roxana, Oct. 2, Gerald Lloyd Jr., seven pounds, 11 ounces. Mr. and Mrs. Charles Pollard, Albion, Oct. 4, Brian Lee, six pounds, four ounces. Mr. and Mrs. Rick Noser, 5500 Washington Ave., Apr. 2, Oct. 5, Shawn Thomas, eight pounds, two ounces.

Mr. and Mrs. Allan Schmidt, 903 McCambridge Ave., Oct. 5, Anthony Alan, seven pounds, one ounce.

exceptionally suited to the type of challenges—the awesome financial challenges—that face Illinois and its next governor.

"Much of my quarter-century of background in public service—including all three branches of government—has been heavily involved in wrestling with money problems."

"It was this background that helped me set new high performance marks in the treasurer's office, and helped me win re-election by the largest plurality of any State candidate in my party's history."

"My campaign for governor will not offer flowery promises. I don't have all the answers. But I know where to begin looking. And I have a head start: I've seen what doesn't work. I've seen what doesn't work. I've seen an administration that doesn't work. Our present governor can walk the state, but he can't run it."

News notes

The Internal Revenue Service took \$1,500,000 from the estate of the late Illinois Secretary of State Paul Powell after initially seeking a \$3,400,000 tax settlement. When he died suddenly Oct. 1, 1970, Powell left many shoeboxes full of cash, leading to back tax and penalty claims by the federal government.

Fighting to retain federal highway funding, Illinois officials have told the U. S. Transportation that this state does not need a motorcycle helmet requirement, in view of its cycling safety statistics. The Illinois Supreme Court has declared a helmet law unconstitutional.

A new "instant lottery" plan by the state government, approved Friday at an Illinois Lottery Control Board meeting, will utilize tickets having concealed numbers or symbols.

A Gross National Product rise of 10 to 15 percent is being projected for the third quarter of 1975.

A decision Thursday by U. S. Grant Co. to file under Chapter 11 of the Bankruptcy Act was challenged Friday by the Independent Investors Protective League. The stockholder group that says the retail chain should file under Chapter 11, a more drastic move in which control passes to a court-appointed trustee. In Chapter 11, a firm continues to operate and has protection against creditor lawsuits while it tries to work out a plan for paying its debts.

Withdraws guilty plea

Larry D. Finley, 21, of the 2800 block of Wayne Ave.

Friday withdrew his plea of aggravated battery and reckless conduct he offered last month in St. Clair County Circuit Court.

Finley appeared before Circuit Judge Robert Gagen Friday for sentencing on his plea of guilty in connection with the shootings of Frederick Wagner, 16, and Michele Ellis, 18, both of O'Fallon March 17 on the parking lot of a tavern west of Trenton. Both victims have recuperated from their wounds. Finley requested his plea be withdrawn and Judge Gagen ordered reinstatement of another aggravated battery and aggravated assault charge, dismissed when Finley pled guilty. Judge Gagen ordered a trial on all the charges.

TRUCK BURGULARY

Tom Hill, 2053 Rhodes St., Madison, reported at 9 a.m. Friday that someone broke a vent window on his truck to gain entry and then remove a Citizen Band radio valued at \$160.

Youth injured seriously in auto accident

Bruce Stickle, 17, of 721 North 27th place, was seriously injured when his auto, northbound at the curve in Route 3 at the Granite City Humane Center, went out of control and overturned several times at 4:20 a.m. today.

Officers were unable to question the driver, but said he appeared the car skidded about 180 yards, overturning several times, flipped through a ditch and went into the lawn of the Shasta Bottling Co. plant, damaging the lawn.

Police could not determine if there had been any passengers who may have been thrown out of the car and had to conduct an extensive search of the area. No one else was found.

The auto was demolished, police said. Stickle was taken by ambulance to St. Elizabeth Hospital where head injuries were diagnosed and he was transferred to Firms Desloge Hospital, St. Louis. He was reported in serious condition today in the intensive care unit of the St. Louis hospital.

\$12,225 loot in burglary

Items with an estimated total value of \$12,225 were taken from the home of Joe Crimi, 25 Snowbird Lane, Saturday between 8 and 10 p.m. while the family was away. Entry was gained through a bathroom window.

Reported taken were four men's topsuits; 40 shirts; 40 pair of pants; 15 men's suits; 15 sport coats; camera equipment; a portable color TV; a tape recorder; a man's wrist watch; and a 40-point, one carat man's diamond ring.

Landfill fire

Efforts are being made by Environmental Protection Agency representatives to determine the cause of a three-hour fire in Mal Landfill, in Canton Township, St. Clair County, Thursday afternoon. Kenneth Harbarger, operator of the landfill, said cause of the fire is unknown. The fire started about 1 p.m. and was extinguished about 3:30 p.m., he said.

REGISTER FOR ADULT GYMNASTICS SERIES

Registrations will be taken Wednesday evening at the Nameoki Recreation Center, Amos and Franklin avenues, for an adult gymnastics class to be held from 6 to 7 p.m. each Wednesday.

The class will be limited to 30 people and participation is free to residents of the Granite City Park District.

Hurt on 162

Arthur A. Schmerbauch, 43, Troy, Ill., was in satisfactory condition today in the intensive care unit of Firms Desloge Hospital following an auto accident at 2:25 a.m. Sunday in which his car plunged down an embankment.

State police said his east-bound auto went off the south side of Route 162 about one and one-half miles west of Route 157 and plunged down an embankment.

He was taken to St. Elizabeth Hospital with multiple injuries, including a cut to his chin and bruises to his upper right arm, and was transferred to the St. Louis hospital.

CB RADIO STOLEN

George Bunker, 2224 Adams St., reported to Pontoon Beach police that between 9:30 p.m. and 10:20 p.m. Saturday, while his car was parked at 3916 Gaslight Walk, the auto was entered and a citizens band radio valued at \$200 taken. The thieves apparently did not take anything else and left behind a ladies purse with money in it.

Capture

(Continued from page 1)

coat the one robber had admired earlier. It was valued at \$170.

The robbers also took six other coats and ten leisure suits. The men fled through a back door. The store manager, said he was able to stand and made his way to a neighboring store from where police were called.

Meanwhile, Officer Crook of the St. Louis Police Department was followed in a squad car by a car which he later said refused to pass him, although Crook was driving only ten miles per hour. Crook said the men in the car acted suspiciously. The officer jotted down the license number and pulled over to let the car pass.

A few minutes later a police radio broadcast and a report of the robbery described the car in which the robbers had fled. Crook noted that it fit the description of the car from which he had taken the license number.

He notified Madison police who checked out the license number, which gave a Hillside, Mo., address for the owner. Madison police called St. Louis County authorities who were waiting as the car pulled into the car owner's home.

Wayne Scannell, owner of the men's wear store, said he was informed this morning that Hillside police recovered the clothing taken from the store, as well as the cash that was taken.

Armed robbery warrants have been issued against Ralph Simmons, 29, and James Simmons, 28, both of Hillside, Mo., and Clarence E. Evans, 22, of St. Louis.

The three men were held today in the St. Louis County Jail pending hearings on governors' warrants to complete extradition.

HURT IN ACCIDENT

Treated at St. Elizabeth Hospital at 6:40 p.m. Friday, following an auto accident, were Sherrill Longo, 29, of 21377 State St., who struck the steering wheel and sustained a head injury, and Mary Hopkins, 16, who was in the same auto, whose mouth was injured. Both were released after treatment.

TREATED AT HOSPITAL

Debrae Sears, 33, of 3255 Westchester Drive, was treated at St. Elizabeth Hospital at 1:55 a.m. Saturday for pain in the arm and head resulting from injuries sustained in an auto accident. She was released after treatment.

Tax level

(Continued from page 1)

Leonard O. Moore, David E. Partney, Wayne M. Scannell, Irvin C. Siale Jr., William H. Thoeke and W. F. Winder.

Students honored included Henry D. Karandeff, Paul H. Lichtenberger, Carl A. Rant, Edwin G. Schmitt, Carl Abrams, executive secretary, Chester L. Baker, Harold R. Fischer, Albert H. Proemling and James Blankenship.

Women's Division past presidents cited were Mrs. Emylee Alford, Dr. Felicia Roth and Mrs. Jo Meyer.

The full-time Chamber staff was introduced and praised. It consists of Edward P. Reiske, executive vice president, Mrs. Bonnie Sullivan, office manager, Mrs. Jacque Abrams, executive secretary and Mrs. Kay Pomeroy, receptionist.

Public officials present with their wives included State Sen. Sam Vadalabene, State Rep. Joe E. Lueco, State Rep. Everett G. Steele, Belleville Area College President William Keel, Circuit Judge Horace Calcut and newly-retired Circuit Judge Edward P. Schuman.

Mrs. Mike Sasyk represented Madison Mayor Sasyk at the meeting and the Granite City Municipal government was represented by Alderman and Mrs. Ronald Coleman.

Manpower

(Continued from page 1)

Veizer told the group. Brawley commented, "Juveniles have no fear of being sent to the Department of Correction. There is no punishment, no fear, so why should they worry about being arrested?"

"We need to build some places to keep these repeaters in and not have our so-called correctional institutions with revolving doors," Dutko commented.

Dr. George T. Wilkins Jr. asked, "What can we do to help our children gain a better feeling toward police? We have some good programs like the 10-4 group and the Officer Friendly program. The teenage hostility and disrespect toward police bothers me."

Chief Dutko commented, "A lot of this disrespect comes directly from the home, television and the attitude of parents. You also have to take

into consideration what the children today have gone through the past few years war, turmoil, corruption at all levels of government."

Other items discussed by the chiefs included gun control, which they feel is taking protection away from the good citizens, as criminals always will get guns, and a gun in a home is often a deterrent to potential dangers; need to correct double standards where an armed robber can be released on a \$2 recognition bond and a traffic speeder has to post at least his drivers license or a \$25 bond for a minor violation; senior citizens effectively could be used in block watcher programs.

The chiefs expressed a belief that in violent crimes or where weapons are used, and in crimes against persons, there should be mandatory sentencing on the first offense.

Illinoisans optimistic, see slow economic rise

Illinoisans have a grimly realistic view of the nation's current problems, and yet most of them are optimistic about the future, according to a poll released by S. Senator Charles H. Percy (R-Ill.).

The 10-question poll was included in Percy's semi-annual report to his constituents.

Fifty-one per cent of those responding expressed doubt that either unemployment or the general economic picture in their community will have improved by the end of this year. But almost two-thirds (66 per cent) said that — despite recent difficult times — they have "good reason to feel optimistic" about the nation's future.

In releasing the results, Percy said they show that "Illinoisans are willing to face up to the hard realities of our

economic and energy problems."

He noted that 63 per cent of those responding felt that, in order to reduce fuel consumption, it would be better to pay more for automobile gasoline than to spread the increased price of petroleum products across the board.

If the choice must be made between gasoline rationing and paying more — even a dollar a gallon — for gasoline, 58 per cent would opt for higher prices instead of rationing.

The constituents were almost evenly split on some issues: Under half (48 per cent) agreed that federal revenue sharing has helped to hold down or reduce their local taxes, and an even 50 per cent favored stronger controls on the sale of hand guns.

Matthew Kimutis, 81, dies

Matthew S. Kimutis, 81, of Nameoki Township, a part-time employee at the Polish Hall in Madison, died at 5:45 p.m., Saturday, at St. Mary's Hospital, East St. Louis. He had been hospitalized six days.

He was born in Lithuania and resided in this area for 45 years.

Mr. Kimutis was employed as a butcher for 35 years at Armour Co. in East St. Louis before he retired 15 years ago.

He was secretary of the Lithuanian American Roman Catholic Alliance, Lodge 179. His wife, Mrs. Anna (Ashmann) Kimutis, died Feb. 22, 1971.

Survivors include three sons, Raphael M. Kimutis, of Collinsville, Vincent P. Kimutis of Belleville and Matthew J. Kimutis of Manchester, Mo., and 17 grandchildren.

Funeral arrangements are given in the obituary column.

William Blythe, 79 dies

William A. Blythe, 79, of 2135 Ohio Ave., died for two years, died at 5:03 a.m. Sunday at Wood River Township Hospital where he had been a patient four days.

A native of Stewart County, Tenn., he had resided here 30 years.

Mr. Blythe was a member of the Laborers International Union of North America, Local

397, and worked as a hodcarrier prior to his retirement. He also belonged to VFW Post 1300 and was a veteran of World War I. Survivors include three sisters, Mrs. Maggie McCoy and Mrs. Hattie Travis, both of Granite City, and Mrs. Mary Lou Hagler of Amana, Calif.

Funeral arrangements are given in the obituary column.

Probation for Valencia

Anthony J. "Tino" Valencia Jr., 18, of the 3100 block of Davis Street, was sentenced Friday in Madison County Circuit Court to serve two years of probation for allegedly firing a shotgun at Rutter, 17, of the 1700 block of Cleveland Blvd., June 12, in the 2100 block of Delmar Avenue.

Sentencing was pronounced by Circuit Judge Moses Harrison.

Valencia pleaded guilty in September to a charge of aggravated battery for allegedly firing the shotgun from the window of a moving car at Rutter, who was standing on a porch. Rutter has recuperated from his wounds.

Co-defendant in that case, Mark Seago, 17, of the 2300 block of St. Clair Ave., pleaded guilty to battery and was sentenced last month to serve two years on probation.

Hospital notes

Patients admitted to St. Elizabeth Hospital Friday:

Scott Vickers, 11, of 3223 W. 12th St., Nelson, 2139 Monroe; Mike Schrouth, Collinsville; Ray Griffin, Phoenix, Ariz.; Annie Weaver, 1707 Edison; Bobby Isom, 4408 Kirkpatrick; Loretta Hengehold, Edwardsville; Anna Mae Downs, 442 Kirkpatrick; Edith Simpson, 1100 Grand; David Ellis, 3120 W. 20th; Anna Skokford, 1133 Greenwood, Madison; Sam Kook, Minerva, Ohio.

Pauline Corpe, 1923 Harris; Michael Reis, 1, Collinsville; Kenneth Harper, 2142 State; Harold Hunter, 3, of 1733 Collinsville, Madison; Harold McClary, 2551 Delmar; Diana Yates, 2415 Hemlock; James Newman, 2410 W. 20th; Nina Stevens, 120 Douglas; Annie Ruth Dodd, 2207 Dewey.

Rose Monroe, 1223 Robin; Venice; Roxanna Fish, 2258 Edison; Andrew Smith, 1717 Venice; Roger Niesporek, 10 mos., 2403 Iowa; Sandra Harrove, 2822 Iowa; Betty Collier, 1012 Grand, Madison; Joan Wilks, 2633 E. 27th; Kata Sever, 2701 Benton.

TWO HURT IN CRASH

H. Lamar Moore, 46, and Bruce Moore, 15, both of 3229 Newell St., were treated at St. Elizabeth Hospital at 12:15 a.m. Friday for injuries received in an auto accident. Lamar Moore was treated for a head injury. Both were released after treatment.

May change new 2.5-cent tax

A tax increase of 2.5 cents per \$100 assessed valuation in the Madison County working cash fund, approved by the County Board Sept. 9, may be rescinded or reduced, it was reported Friday.

The new tax was levied for the 1975 and 1976 years for taxes collected in 1976 and 1977, and would yield about \$400,000 for the two years.

The working cash fund is used to pay county bills when money is not available in regular funds.

Louis Whitsett of Nameoki Township, County Board member and an opponent of the tax, said he expects a motion to change the tax increase will be made in the County Board meeting Oct. 15.

1967 AUTO RECOVERED

A 1967 Buick was reported stolen at 9:10 p.m. Friday from the home of Lela Meyers, 1799 Maple St. The auto later was recovered in Belleville and is believed to have been used in the holdup of a National Food Store there.

Indict 3 in area cases

Three Quad-City area residents were indicted Thursday by a Madison County grand jury. Dale A. Hughes, 23, of 1302 Twenty-Third St., was indicted on a charge of aggravated battery; Melvin Woolfolk, 17, of 1034 Douglas St., on charges of robbery and attempted rape; and Fritz Fochschi, 46, of 2815 E. 25th St., on counts of aggravated battery.

Hughes allegedly struck Madison County Sheriff Deputy Larry Bull with an auto during the Mitchell Fall Festival on Sept. 7, while the deputy was chasing troublemakers at the event. Hughes is charged on a \$20,000 recognition bond.

Woolfolk allegedly robbed the American Sales Dollar Store, 314 State St., Madison, on Aug. 20, escaping with an undetermined amount of money after allegedly attempting to assault a woman in the store. He is being held in Madison County jail in lieu of \$40,000 bond.

Fochschi was arrested after two Granite City policemen were injured during a disturbance at the Wayside Tavern, 22nd Street and Washington Ave., on April 27. He allegedly struck Sgt. Richard Woods and Patrolman David Rosenberg with his fists, causing injury to both. Fochschi has posted a \$500 cash bond.

Arrest two in beating case

Gregory Horton, 19, of 2200 Adams St., was arrested on two charges of battery at 5:15 p.m. Saturday following an incident in which two boys, 15 and 13, allegedly were beaten by a youth in the alley of the 2500 block of Circle Drive.

Horton was arrested on a complaint by the boys' mother who said both boys received injuries in the beating. The older boy suffered a shoulder injury when allegedly thrown into a fence.

While police were taking a report of the incident at the boys' home in the 2500 block of Nameoki Drive, they arrested Richard T. Cathey, 51, of 2727 Nameoki Drive, charged him with carrying a weapon and failure to possess a firearms identification card. Officers said when Cathey appeared at the scene, he displayed a revolver and said he was looking for Horton.

Police checking fictitious calls

A man purporting to be a Lt. Richardson of the Granite City Police Department called three local beauty salons within a 10-minute period Thursday afternoon, seeking information about employees at the shops relating to a fictitious accident, the shop owners said in separate reports.

The physical description of specific employees was sought by the man who said further contact from police could be expected. One person reported to police headquarters that when viewed by the caller before leaving the call was a hoax.

None of the local police departments have an officer by the name of Richardson.

10 recovering after surgery

Patients at St. Elizabeth Hospital who have undergone major surgery since Thursday: Willie Mae Greer, Edwardsville; Claude Rutherford, 4033 Garden Lane; Delores Stoyanoff, Holiday Park Mobile Homes; Marjorie Ortiz, 2140 Lee Ave.; Lucy Johnson, 4201 Sara St.

Wilma Sartin, 3909 Kirkpatrick Homes; John Walsh, 2330 O'Hare Ave.; Brenda Alsbury, 4734 Lake Drive; Norma Tomlin, 2208 Lee Ave.; Halie M. Sieching, 2496 Stratford Lane.

Mrs. O'Brien dies at 87

Mrs. Ruth Cindy Snyder O'Brien, 87, of 2448 Hodges Ave. was pronounced dead at home at 10:10 a.m. Friday, by Randy Irwin, Madison County deputy coroner. There will be an inquiry to determine the cause of death.

A 65-year Quad-City area resident, she was born at McLeansboro, Ill., and was of Protestant faith.

She was preceded in death by her husband, Timothy O'Brien, in 1953.

Funeral services were held today. Details are given in the obituary column.

Bicentennial events slated

In celebration of the nation's 200th birthday, Southern Illinois University at Edwardsville will stage a year-long series of activities beginning with the raising of the Bicentennial flag over the campus Oct. 20 at 9 a.m., according to Annette Mulvaney Graeb, chairman of the University Bicentennial Committee.

"Lift-off" ceremonies will include hoisting of the flag by members of the SIUE ROTC color guard, a musical salute by the Scott Air Force band, visiting dignitaries and, if weather permits, the ascension of a Bicentennial hot air balloon. The public is invited to attend.

Other activities during the year-long celebration will include a special menu for the campus restaurant, a dental exhibit, recitals, drama presentations, art exhibits, films, concerts, special classes and craft demonstrations.

The year will be climaxed with a special commemorative University Bicentennial Week, May 30, Mrs. Graeb said.

The Bicentennial menu will be written in the form of an old-fashioned newspaper and will be called "The Campus Chronicle."

It will feature a daily food special taken from the private family recipes of the nation's presidents. The club has been redecorated in Bicentennial decor and will feature waitresses dressed in early American costumes.

A multi-media presentation and exhibit depicting 200 years of growth in the field of dentistry has been assembled by the SIUE School of Dental Medicine.

The exhibit, "Dentistry: Yesterday and Today," includes an antique dental chair with equipment and instruments used in the past. Accompanying the exhibit will be dental students in period costumes.

The SIUE Department of Art and Design will commission three well-known Illinois artists to build three models of outdoor sculpture as proposed monuments to the nation's 200 years of progress.

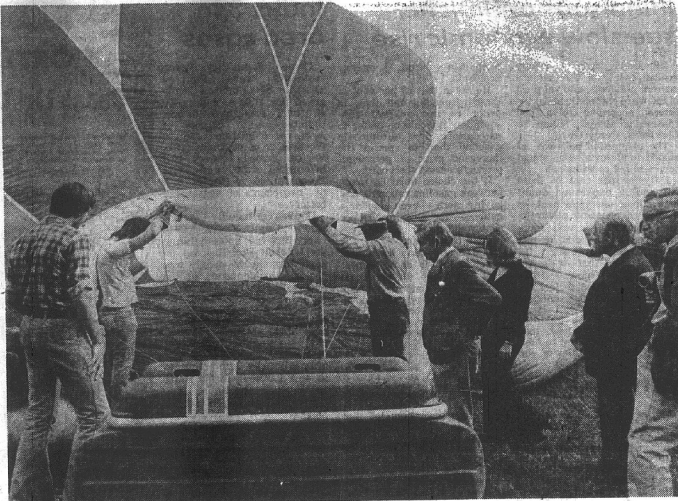

The models will become part of the university's permanent art collection, Mrs. Graeb said. Funds will be sought to build one or all three as lasting memorials to the Bicentennial, Mrs. Graeb added.

During the year, WSIE-FM (88.7), the campus radio station, will broadcast hour-long programs to recognize each state in the order they were admitted to the Union.

With 60 events already submitted to the Illinois Bicentennial Commission in Chicago, the local campus may be one of the most active universities in the nation in celebrating the nation's 200th birthday, she said.

Mrs. Graeb added that planned Bicentennial projects and events have come from almost every phase of the university family.

"Our Bicentennial celebration should be more than trinkets or souvenirs. It should be a time to review the past 200 years, reflect on what has happened, and rededicate ourselves toward a better future," she said. "I feel that we can look forward to an exciting year."

BICENTENNIAL LIFT-OFF TRIAL RUN. John S. Rendleman (with hand in pocket), president of Southern Illinois University at Edwardsville, and Annette Mulvaney Graeb (to his right), chairman of the SIUE Bicentennial Committee, along with members of the Bicentennial

committee watch technicians inflate a hot air balloon in a trial run for Bicentennial lift-off ceremonies at the university Oct. 20. SIUE will stage a year-long series of activities honoring the nation's 200th birthday.

Deadline for art fellowships

The National Endowment for the Arts (NEA) has announced a postmark deadline of Nov. 1 for applications to the Fellowship Program for Artists, according to the Office of Research and Projects of the Southern Illinois University at Edwardsville Graduate School.

Eligible applicants include painters, sculptors and con-

ceptual performance and video artists working within a visual arts context. Students are not eligible.

Assistance is provided by the NEA to enable artists to set aside time and or purchase materials and generally to advance their careers.

The two categories of support available include: Category I—

\$7,500 to assist artists in mid-career between the ages of 35 and 40, and Category II—\$3,000 to assist artists in the earlier stages of their careers up to the age of 35. A limited number of \$3,000 fellowships will be set aside within this category for artists under 25.

Applications for the fellowships are available at the SIUE Office of Research and Projects.

Overlapping government is mounting—Howlett

During the Bicentennial Year of U. S. Independence, overlapping and duplication of government activities should be attacked at every level, Michael J. Howlett, secretary of state, said Sunday.

Howlett spoke at the opening session of the Illinois Municipal League 62nd annual conference in the Conrad Hilton Hotel at Chicago.

"The United States today scarcely resembles the 'tiny republic' found in 1776," said Howlett. "Life in early America was less complex."

"Today, government is big business."

"Government employs more than 14 million people, five times as many as inhabited America in 1776."

"So many agencies operate at so many different levels, they are unable to keep track of what each other is doing. Activities of one regulatory body overlap or duplicate another."

"We shouldn't have different levels of government doing the same thing."

"As much as possible, we should handle government business at the local level. Anything that can't be handled at the local level should be handled at the state level. What can't be handled at the state level should be handled by federal government."

"Our new 1970 state Constitution should reduce overgovernment in Illinois. By fostering home rule, it enables cities to handle their own affairs."

"Responsibilities of government were narrowly defined in colonial times," Howlett said.

"Affairs of the nation could be handled by a small group of experienced leaders, gathered together in a New England meeting house," he said.

"Since 1776, government has expanded to touch every phase

of our lives. "No matter where we turn, some agency of government is telling us what we can or cannot do."

"Perhaps by increasing our knowledge of American history, the Bicentennial will help us find where we are overgoverned."

Awards offered by Heart Assn.

The Illinois Heart Association will offer research awards in the field of cardiovascular research during 1976-77, according to the Office of Research and Projects at Southern Illinois University at Edwardsville.

Research fellowships will be awarded for investigation in the broad field of cardiovascular function and disease, according to John Rodman, director of the Office of Research and Projects in the SIUE Graduate School.

The fellowship stipend is \$12,000 and may be renewed for a second year. Recipients must devote at least 75 per cent of their time to research or research training.

The application deadline for the fellowship program is Nov. 1. Grants-in-aid will be awarded for scientific investigation in the field of health or disease designed to furnish new knowledge or to provide further support for existing knowledge relating to cardiovascular matters, Rodman said.

Priority will be given to proposals from talented young investigators or from senior investigators embarking in new directions. Deadline for applications to the grants-in-aid program is Jan. 1, 1976.

Additional information may be obtained by contacting the Office of Research and Projects, SIUE.

Repairs at social security office

William Kerr, district manager of the Social Security office located at 650 Missouri Ave., East St. Louis, is informing the public of temporary inconveniences that will occur during business hours Thursday and Friday.

Major repairs to the office are to be made on those days. Services, during this time, will be limited. Therefore, Kerr said he is asking the public to avoid calling or appearing at the office Thursday or Friday unless absolutely necessary.

The Social Security office at 670 State St., East St. Louis, will have additional staff to

accommodate the public during the repair of the office. The phone number at that office is 398-5412.

Library repair bids called

Bids for general repair and remodeling work at the Granite City Public Library are to be received by the board of trustees up to 3 p.m. Thursday, when they will be opened.

Plans and specifications for the bidding are available at the office of Henry R. Gabriel, architect, 1000 Cleveland Blvd. The proposals are to cover general construction, plumbing, heating and electrical work under one contract.

Work is to include chimney repairs, repairs to outside walls, new wiring throughout, new fixtures in the main library, and renovation of rest rooms and the employees' lounge.

The repair work is to be completed before work is begun on a program to redecorate the interior of the library, a project for which a contract already has been awarded.

Razor's Edge acquires shop

The Top Notch Barber Shop and Beauty Salon, 3717 N. Nimeski Road, in the Crossroads Plaza complex, today changed ownership and became the Razor's Edge. Remodeling of the shop is underway according to Fred McColgan, a partner in The Razor's Edge, but the facilities will remain open during remodeling.

McColgan has just returned from London, England, where he attended a one-week session at Vidal Sassoon's School of Hair. He said the schooling will enable the latest European hair styles to be offered at both shops.

He said his visit to London had to be cut short, due to unrest in that city, as restaurants and public places are being bombed and burned.

Losing Weight with ODRINEX is no miracle — It's a Fact!

Begin with this amazing tiny tablet. Lose inches... Lose pounds... see the difference in your mirror. Banish those unsightly, ugly excess pounds. One tiny Odrinex tablet taken before meals quickly tames your hunger. You eat less, take in less calories and you lose weight — it's that simple. Clinical studies by a leading University Hospital proved that the Odrinex Plan produced significantly more weight loss than diet alone. Losses ranged from 5 up to 20 and more pounds within a short period of time.

Odrinex will help you lose weight starting the first day. Thousands of satisfied users have reported remarkable results with this amazing Attack on Fat!

1⁶⁹ 25 FOOT ROLL

State 'in red ink' for several hours

The state's General Revenue Fund dropped last week to \$5 million, the lowest point in 14 years, Comptroller George W. Lindberg reported.

"For a couple of hours last night, the State of Illinois could not pay its bills," Lindberg said. "The comptroller's office had \$11 million in vouchers requesting that checks be written to pay bills, including welfare recipients, private firms doing business with the state, salaries of state workers and payments to medical organizations providing services to the poor."

"To alleviate the condition of being \$6 million in the red, the comptroller's office personnel worked overtime to expedite receipts from various tax sources that were not scheduled to be put into the treasury until the next day, thus creating a sufficient balance to issue the \$11 million in checks."

"As a result, the checks are

going out on time.

"But the overall situation which caused this temporary inability on the part of the state to pay its bills is still with us."

"State spending in September was \$180 million above receipts," Lindberg warned.

"The comptroller said the General Revenue Fund available balance historically has dropped to its lowest amount between the months of November and January."

In recent state history, the only time the General Revenue Fund balance was lower than last week's balance was on Dec. 15, 1961, when it dipped to \$178,000, Lindberg said.

The fund underwrites the state's day-to-day operations.

Social science fellowships

The Social Science Research Council will offer research training fellowships to social scientists who wish to obtain training in research beyond that normally required in doctoral programs in their own disciplines, to prepare them for innovative research in the social sciences, according to the Office of Research and Projects in the Graduate School at Southern Illinois University at Edwardsville.

Advanced training in research in another discipline is the usual program of a fellow, but acquisition of special technical skills or intellectual contact with scholars whose orientation is radically different from that of the applicant may be more desirable for some individuals, according to John Rodman, director of the SIUE Office of Research and Projects.

Fellowships may be held for terms of nine to 12 months at any stage of a candidate's career subsequent to the completion of all requirements for the Ph.D. degree. The total amount of each award may not exceed \$10,000.

A prospective candidate will be invited to submit a formal application only if this appears appropriate on the basis of preliminary review of his or her qualifications, objectives and

plans. Rodman said.

Preliminary inquiries should be made as early as possible before Nov. 1, and formal applications must be submitted by Dec. 15. Additional information may be obtained by contacting the SIUE Office of Research and Projects in the SIUE Graduate School.

Nurse seminar on the aging

The School of Nursing at Southern Illinois University at Edwardsville will hold a one-day workshop on "How to Handle The Process of Aging," at Jacksonville State Hospital Wednesday. The workshop is planned for nurses who wish to upgrade their education.

Registration will begin at 8 a.m. During the morning and afternoon sessions, short films and discussion groups will be used to examine the process of aging as a non-disease. Mrs. Lynn Sokol will be the instructor.

Registration fee is \$5. The workshop is limited to 50 participants due to the group discussion program planned. Applications will be accepted on a first-come, first-served basis. Participants who attend the workshop will be awarded five continuing education units, according to Ina Ingwersen, director of continuing education in the SIUE School of Nursing. The same workshop will be held later at two other locations: in Ina, at the Rend Lake Junior College Theatre on Oct. 15, and in the University Center on the SIUE campus Nov. 14.

THE BALL WAS LOOSE but the gain counted anyway in this play showing the first Tiger touchdown of the evening as Edwardsville won 35-0 at South Friday. Halfback Steve Carpenter (23) scored the TD but Warrior

John Bogosian (60) dislodged the ball. Other South players visible include Doug Hartman (52) at left and Tim Anderson (82) at right.

Tiger gains 153 yards in 35-0 win at South

Granite City High School South's homecoming theme, "Reach Out for Victory," unfortunately proved to be just that for the Warrior gridders — a theme.

Visiting Edwardsville kept its season winning streak intact at 5-0 Friday at Granite City Stadium with a 35-0 win. South now has a 2-3 record.

The Tigers scored all but seven of their points in the first half. The Warriors lost much ground on penalties and failed to connect in 12 air attempts. "Brian Bunjun, our quarterback," said Coach Stan Wojcik, "probably had his best passing game of the season."

"His aerials were on target all evening long, but our receivers just couldn't find the handle."

Tiger Jeff Hornberger, who has been clocked running the 40-yard dash in 4.8 seconds, posed an offensive threat throughout the contest, exploding out of Edwardsville's wishbone formation.

Hornberger carried the ball 14 times for 153 of Edwardsville's 282 yards gained rushing in the contest. "I knew Edwardsville was

quick coming out of the backfield," said Wojcik, "but I had no idea they were quite that quick."

The Tigers earned 18 first downs to South's five. Edwardsville's defense held the Warriors to a total of 91 yards, all on the ground. Adding 72 yards in the air, Edwardsville had a net gain of 354 yards.

South High took the game-opening kickoff, but failed to advance. The Tigers also failed in their first series of plays. With 5:51 left in the first quarter, South's Joe Ward turned a third and six-yards-to-go situation into a first down, moving the ball 16 yards to his own 46 on a pitchout from Bunjun.

But the first of South's eight penalties in the contest cost the Warriors 15 yards, and Bunjun was forced to kick it away.

Taking the punt on its own 30, Edwardsville began its first touchdown drive when Hornberger carried twice for nine-yard gains and then broke through tackle on a third attempt, scampering 42 yards down the sidelines before being pulled down from behind, at South's 10, by Ward.

Two plays later, Steve Carpenter jumped over the middle of the line with 2-44 left in the quarter for a TD. Hank Harris booted the extra point for a 7-0 lead — the first of his five successful placement kicks.

Edwardsville scored again

five minutes into the second period, after gaining good field position at South's 20 on a pass interference call. Hornberger and Carpenter moved it to the one-yard line, and Carpenter again dashed to paydirt.

Warrior miscues followed the ensuing kickoff and South was forced to punt from its own 13 after Tiger Harold Highlander forced a fumble when he caught Bunjun behind the lines.

More than midway through the period, tackles by South's Keith Moran, Ed Prazma and Paul Evans helped hold Edwardsville, leading to a fourth-and-one situation.

Hornberger carried for the first down and, four plays later, the Tigers were at South's 17.

With 2:35 left in the half, after a Warrior penalty and yardage gains by Fred Wopat, Hornberger dashed six yards off-tackle into the end zone.

The Tigers had a 21-0 edge, and a pass interception set up still another TD with 55 seconds left before the halftime. South had taken possession at its 20 and, on runs by Frank Barunica and Alan Benko, moved to its own 30 with a first down.

On the next play, Bunjun attempted a pass to Jay Huebner. Dennis Braundmeier ran a crossfield from the sidelines, making a diving catch of the aerial at Edwardsville's 47.

Quarterback Ray Stephens

then released a 53-yard TD bomb to Harris.

In the first half, the Tigers racked up 176 yards rushing to South's 53.

"Ward is our fastest carrier," commented Wojcik, "and they knew it."

"Everytime he went into motion in the backfield, Edwardsville keyed in on him and was there to meet him as he turned downfield."

Edwardsville took the second-half kickoff but was forced to boot the ball away after being held on downs by a tough Warrior defense.

With 6:48 left in the third period, Edwardsville began a drive from its 30, ending it four minutes and 14 plays later in South's end zone.

The Tiger TD was hard-earned, however. Moran, Doug Hartman and John Bogosian combined efforts to hold the Tigers to short gainers.

Two consecutive Tiger pass plays were broken up by Prazma and Mike Clark, who knocked the aerials away in midair.

Also during the TD drive, Ward knocked Scott Weber out of bounds at South's 11 following a pass by Stephens from the Tiger 31 to South's 25.

But, the Tiger march prevailed as Wopat moved the ball to the seven and Hornberger sprinted around left end in the final period after the Warrior defense had forced two Edwardsville punts.

Bunjun tried a pass to Tim

Edwardsville, in eight plays and aided by two South penalties, had moved to the one with three minutes left in the game.

However, hard hits by Dave Thornton, Huebner and Ward prevented the Tigers twice from diving over the line.

On a third and goal situation, Tiger John Rendleman crashed into the line in a scoring attempt and was met by a defensive wall which forced the pignik out of his hands and into the air.

South gained possession on the recovery, but the clock was against the Warriors, with only 47 seconds remaining. Bunjun was forced to boot it away after the Warriors moved only as far as their 11.

Time ran out before the Tigers could muster an offensive threat.

"We felt Edwardsville would be over confident coming into the game," remarked a South player later in the locker room, "and we just underestimated them."

"But, we'll take our frustrations out on Collinsville this coming weekend." The Warriors will visit the Kahoka Friday night.

He is shown being tackled here by Guard Bob Gauen of the host Warriors.

BRUCE WRIGHT North defensive ace

GREG COREY Steelers' passer

BRUCE JATEFF North ground gainer

Offense, defense sharp as Steelers win 27-6

Except for occasional blocking deficiencies, GCHS North athletes played a textbook game before a happy home crowd Saturday night, turning back the invading Mater Dei Knights of Breese 27-6.

Bending but seldom breaking on defense, Coach Tom Wyronek's gridiron Steelers showed consistent ability to move the ball on offense, with Quarterback Greg Corey connecting often through the air—usually to Larry Schleicher—and Bruce Jateff and other backs gobbling up big chunks of yardage.

Now 4-1 for the season, Coach Tom Wyronek's agile athletes dominated the statistics with 340 net yardage to the Breese square's 194 yards.

The Steelers gained 209 yards rushing to 79 yards for the visitors.

In aerial warfare, North advanced 140 yards on nine completions in 14 attempts, while Mater Dei gained 115 yards on 8-of-21. The Steelers intercepted Breese twice and the Knights snared one North pass.

Steelers in frequent starring roles in addition to Corey, Schleicher and Jateff included Bruce Wright, Leo Pelek, Steve Hartline, James Simpson, Joe O'Gara, John Nolan, Charles Haws, Tom Stanford, David Kwiatkowski, Steve Crab, Fred Clay, Steve Morris and Chris Page.

The Steeler scoring parade started with dramatic suddenness.

With O'Gara returning the opening kickoff to the North 27 and Nolan picking up six yards through the line, Jateff immediately broke through the left side of the line and outran all defenders for a 67-yard touchdown run.

Corey recorded the seventh point on a point-after-TD placement kick, the first of three for the evening.

Mater Dei moved from its 28-yard line to the Steeler 48 but had to punt and North engineered a successful drive from its 15.

O'Gara ran for four yards, Jateff plunged for two and Corey passed 12 yards to Schleicher for a first down at the 33.

Nolan ran eight yards and Jateff another eight for a first down on the 49.

Again it was Nolan for nine yards, followed by Jateff for four yards as North gambled on fourth down to chalk up a first down at the Knight 38.

Jateff ran seven yards and the Corey-to-Schleicher combination clicked for a 31-yard TD pass play, the 6-0.

165-pound split end gathering in the ball at the ten-yard stripe and carrying it into the end zone.

The extra-point kick was blocked, leaving the score 13-0 with 2:42 left in the 12-minute quarter.

An exchange of punts saw Mater Dei advancing in its own territory early in the second quarter. But a fumble recovered by the Steelers in control only 25 yards from the enemy goal.

Nolan gained one yard and the Knights committed a personal foul on an incomplete pass, the penalty giving North a first down on the 12.

Pelek skirted left end to the six. The next run left two yards and a pass was almost intercepted.

With fourth down and six yards to go for a first down and North temporarily stalled on the Knight eight-yard-line, the Steelers disdained a field goal try and instead Corey aerialized to Nolan for a touchdown.

The point-after made the score 20-0 with 8:57 left before halftime.

The Breese brigade almost got on the scoreboard on the second play after the next kickoff.

On a second-and-12 on the Knight 29, End Roger Becker broke free and seemed headed for a touchdown. But Steeler Wright gave pursuit and stopped him with a diving tackle on the five-yard-line.

Two short runs and two incomplete passes enabled North to take over on its own six, but an ensuing punt was returned by Mater Dei to the Steeler 29 with 3:15 remaining in the second quarter.

Runs of two and 21 yards provided a first down on the North six-yard-line.

Less than two of the next three downs resulted in fourth-and-goal-to-go situation on the 15, and Quarterback Tom Gonstaves passed to Becker for a touchdown.

After an illegal procedure penalty against Mater Dei on a kick for the extra point, an aerial conversion was attempted and fell incomplete, leaving the score 20-6 with 41 seconds remaining before halftime.

Gonstaves intercepted a pass at his own 19 and the Knights were at their 38 when time expired and the GCHS North band took over the field for a colorful Latin American musical program.

The scoreless third period began with the Steelers holding the visitors and then launching a drive from the North 33. Jateff

ran for one and nine yards and Corey passed for a first down on the 43.

After a two-yard run by Pelek, Corey threw a 16-yard pass to Schleicher at the Knight 38. O'Gara ran for ten yards and a first down at the 28, and Nolan then broke free for gains of nine and 17 yards.

With first-and-goal at the three, Nolan seemed about to score but Glen Moss recovered a fumble and returned it to the Mater Dei 24.

Reeling off first downs at the Knight 48 and North 36 on penalties and at the 22 on a run, the Breese gridders threatened but were pushed back by a penalty.

They connected on a fourth-down pass but could only reach the 28 and the Steelers gained possession.

Corey passed to Pelek on the North 41, and Nolan ran eight yards and Jateff seven for a first down on the enemy 44.

O'Gara ran for six yards and Corey passed seven yards to Kwiatkowski as the fourth quarter began. Knight defenders slipped through to catch Steelers for losses, and North punted.

Mater Dei moved from its 14 but bogged down on its 32 and kicked to the Steeler 34 with 8:35 left.

A TD drive began with Nolan picking up four yards and Jateff eight to the 46.

Jateff ran for nine yards and, after being caught for an 11-yard loss, Corey arched the ball to Schleicher on a 30-yard play that reached the Knight 26.

Nolan galloped to the 18 and Corey passed to Schleicher at the one-foot-line. Simpson then carried the ball across, and Corey's kick made the score 27-6 with 2:25 remaining.

The Knights drove to the North 30 but Schleicher intercepted and sophomore Doug Rams took over as Steeler quarterback. Halfback Greg Landy carried all the way to the enemy 29 for a first down.

A five-yard penalty pushed the line of scrimmage back to the 34, and time ran out before another play could be attempted.

York, Lebanon among state harrier favorites

The Dukes of Elmhurst (York) will be out to regain the throne they lost last fall when 435 Downstate and suburban schools sent runners to the starting line at the district level of the 30th Illinois High School Association (IHSA) boys' cross-country series at 24 sites at 11 a.m. Saturday, Oct. 18. A year ago, 443 schools entered the series.

Last fall, gunning for a record-tying fourth straight team title, Coach Joe Newton's York team was ambushed by Chicago Heights (Bloom), which took the championship by five points (51-96).

York returns five of the seven runners who started at the 1974 state final, including senior Ron Craker, who ranks as the pre-district favorite to take individual honors. York will begin the drive for the school's team title, No. 7 at the Glen Ellyn (Glenbard South) District. District meets are scheduled for 11 a.m. Oct. 18.

Host schools will be: Benton, Bloomington (H.S.), Campaign (Centennial), Decatur (Stephen Decatur), Edwardsville, Elk Grove Village (Elk Grove), Glen Ellyn (Glenbard South), Highland Park, Kewanee (H.S.), Lebanon, Lemont (St. Vincent de Paul), Loves Park (Harlem), Maple Park (Kaneland), Norridge (Ridgewood), Olney (East Richland), Ottawa (H.S.), Palatine (H.S.), Palos Hills (Chicago Christian), Park Forest (Rich East), Peoria (Spaulding), St. Anne, Springfield (Lanphier) and Sterling (H.S.).

GCIS North and South will attempt to place well in the Edwardsville district to qualify for sectional competition at Springfield Southeast High School.

Competing also at Edwardsville will be: Alton, Bethalto, Bunker Hill, Carlinville, Collinsville, East St. Louis, Senior and Lincoln, Edwardsville, Gillespie, Greenfield, Highland, St. Paul of Highland, Jerseyville, Piasa (Southwestern), Roxana, Triad, Staunton and Wood River.

The top five placing teams and the top 10 individual runners from the districts advance to eight sectionals, which are scheduled to be hosted Saturday, Oct. 25, by Centralia, Glen Ellyn (Glenbard West), Lake Forest (H.S.), Oak Park-River

Forest, Peoria (Richwoods), Princeton, Rantoul and Springfield (Southeast). Sectionals also will get under way at 11 a.m.

Advancing from the sectionals to the state final meet Saturday, Nov. 1 — again hosted by Peoria (Central) and conducted over the three-mile layout at scenic Detweiler Park on the north edge of the city — will be the first three placing teams and the top 10 individuals.

They will be joined by the top two teams and top 10 individuals from the Chicago Public League qualifying meet. York's Craker finished second by 5.7 seconds to Tom Mario of Hillside (Prevost West) in last year's state final meet. He toured the hilly course, in 14:20, and was one of three underclassmen (all juniors) to finish in the top 10 individually. Dan Gilchrist of Rockford (East) placed third and was only two seconds behind Craker. Jim Keen of Riverside-Brookfield was sixth at 14:29.

Chief challenger to York for the team title this fall could be tiny Lebanon, the community which has produced outstanding distance runners, including all-time standout Craig Virgin. The Greyhounds are led by Senior Don Burns and Junior Greg Hogg and return six of the seven runners who competed in the state final meet last fall.

Chicago Heights (Bloom) returns four of last year's state final meet competitors, while Palatine (Fremd), which finished third in the team chase, returns three runners, including Junior John Filosa, who could be a sleeper for individual honors.

The Detweiler Park layout, considered by many to be one of the most beautiful and challenging harrier courses in Illinois, overlooks the Illinois River and is adjacent to Ill. Route 23 north of Peoria. Lebanon's Virgin holds the three-mile course record of 13:56, established in taking individual honors in 1972 as a senior. The state final meet will be run over Detweiler Park for the sixth straight year.

Since 1962, when Elmhurst (York) won its first team title, the Dukes have claimed the championship also in 1965, 1968, 1971, 1972 and 1973 and have finished in the runnerup spot in 1964, 1969, and 1974.

USING THEIR HEADS. Warrior and Steeler soccer players staged a tight defensive battle here Friday afternoon, the contest ending in a scoreless tie. (Press-Record Photo)

MANEUVERING FOR POSSESSION of the soccer ball are these GCIS South Warriors (dark shirts) and GCIS North Steelers (white shirts) during the two teams' 0-0 deadlock Friday. (Press-Record Photo)

Maquette overpowers football Trojans 46-0

Madison High School's attempt to "nickel and dime" the Explorers of Maquette with short, percentage passes, and then come up with TD bombs, was short-changed and short-circuited Saturday night at Alton.

Maquette allowed Trojan Quarterback Mike Woods only two completions in 11 attempts for a total of five yards in defeating Madison 46-0.

Quarter scores were 8-0, 24-0 and 38-0.

The Explorers left no avenue for MHS aeriels, providing defensive coverage which virtually hid Madison's receivers from him — and at times forced Woods to "scramble for his life" while being pursued.

"Woods was being pressured all night," said a Madison spokesman. "Once, he went back into the pocket and was being chased all over the field by a Maquette defensive end while he searched in vain for a receiver."

"Finally, he attempted to scramble with the ball and was smeared behind the line." His completions were to Junior Pete Pecurka.

Turning to the running backs in an attempt to gain yardage on the ground, Madison again was met with strong resistance which allowed the Trojans to

pose a scoring threat only once in the contest with a drive to Maquette's 20-yard line.

Following Maquette's game-opening touchdown and two-point conversion, both by Senior Steve Mathews, Trojan Alfred Crawford took the following kickoff at his 10 and ran it out to Madison's 40-yard line.

In three plays, on runs by Pete Pecurka and Dwight Chitlers, Madison faced a fourth-down situation at Maquette's 20 and was forced to give up possession of the ball when the attempt to gain a first down failed.

Madison was held to four first downs in the contest, and a total of 129 yards gained. Maquette racked up 16 first downs, 302 yards on the ground and 107 in the air.

Woods scrambled five times for 22 yards, Pecurka ran four times for 44, and Chitlers ran seven times for 38.

Maquette Quarterback Matt Morrissey, who is effective at using up the clock with his ground game and then carrying the ball into the end zone on keeps, scored two TD's for the victors and also ran a two-point conversion. He went 12 yards to paydirt in the second quarter and seven yards for a TD in the third period.

"Our defense would stop them a couple of plays in drives, but

then they'd come up with the big plays which really hurt us."

Early in the second quarter, with Madison in possession, an aerial was picked off and returned 33 yards by Dean Pickie to set up a 44-yard TD pass from Morrissey to Mark Schmidt.

Another TD came in the third period after a sustained drive on short runs exploded with a 25-yard dash into the end zone by Mathews. This one made the score 38-0 after John Morrissey made good on his second point after TD boot of the quarter.

Madison's defense had much to be proud of despite the six enemy TD's.

MHS hit Maquette's ball carriers 35 times — Dalfred Haynes with eight tackles, Cedrick Wilson four, Jeff Thompson five, Harold Williams three, Bob Stern four, Chris Bradley three, Alfred Crawford two, Pete Pecurka four and Chris Horton, two.

Maquette's final score in the game came in the fourth period on a three-yard run by Junior John Bacus and a two-point dash by John Morrissey.

QB Morrissey drew praise from all for his performance. "He is an all-around athlete, the kind one would expect to see playing on a college team," a Madisonian said.

Madison's throwing arm is such that he could drop back 40 yards into the pocket and still release a 70-yard pass. And when he gets the ball in close, he's a dangerous scoring threat with his running ability."

The game leaves Maquette with a 2-3 record and Maquette with a 4-1 mark.

South, North in soccer tie

For the third straight time, spanning a two-season period, the GCIS North versus GCIS South soccer contest was forced into overtime periods, but Friday at North High field there was no winner as before.

Last year, North won both meetings 2-1. This year, the final score was 0-0.

Coach Bob Kehoe's Steelers were struggling with a 7-6-1 record going into the contest. The Warriors of Coach Gene Baker were 7-2.

"Both teams had few opportunities to score due to good defenses," recalls Kehoe. "But there were some scares in regulation time and overtime for both."

In the third quarter, Steeler Bob Yount passed the ball to Butch Stefanoff, who took an angle shot at South's goal. The ball curved to the left and went slightly wide of its mark.

Later in that period, Warrior Gerard Alvarado received a headed ball from rightfield and power-kicked it at North's net, only to have it deflect off the upright bars and bounce out of bounds.

South attempted more shots-

Steelers blanked

GCIS North's soccer Steelers were blanked 2-0 last week at St. Louis' Christian Brothers College, sixth-ranked team in Missouri.

Playing two 35-minute halves, CBC scored a goal in each half after taking 16 shots at North goalkeeper Rick Demaree. The Steeler goalie prevented 12 shots from scoring.

Eric Painter posed the Steelers' biggest threat at potting points on the board. He powered one of North's two shots at the enemy's net, but a diving stop to the right by the CBC goalie preserved the shutout.

Public Notice 34

REGULAR MEETING SCHEDULE OF BOARD OF TRI-CITY REGIONAL PORT DISTRICT

You are hereby notified that the regular meetings of the Board of the Tri-City Regional Port District shall be held on the third Monday of each month at the hour of 3:30 p.m. at the Office of said Tri-City Regional Port District at 2801 Rock Road, Granite City, Illinois. Dated this 2nd day of October, 1975.

TRICITY REGIONAL PORT DISTRICT

Secretary
No. 6 34 10 6

Public Notice 34

MADISON COUNTY ZONING ORDINANCE BOARD OF APPEALS NOTICE OF PUBLIC HEARING

Notice is hereby given that the above named Board of Appeals, established under the Madison County Zoning Ordinance, will hold a Public Hearing on the 20th day of October, 1975, at the time and place as noted below for the purpose of hearing testimony for and/or against the following proposed change in the above named Ordinance:

At 10:35 A.M. on the petition of Katherine Birks, Owner of Record, and Linda Ahlers, Occupant of mobile home, requesting a Special Use Permit as per Article II Section 20.5 and 20.5.3 of the Madison County Zoning Ordinance, 1975, to place a mobile home, being a 14x50 in size, a single wide on this property for Linda Ahlers and family to live in to be near the Birks Family as they are elderly and need to have some one close in case of an emergency in an R-3 One Family Residence District in Chouteau Township. This property is located at 5201 Maryville Road at the intersection of Maryville Road and Old Alton Road.

A tract of land situated in the Northwest Quarter of Section 36 Township 4 North, Range 9 West of the Third Principal Meridian, Madison County, Illinois, more fully described as follows:

From an old stone set for the Southeast corner of the North West Quarter of Section 36, measure North along the East line of the Northwest Quarter for 48.5 feet to a point and which said point is the point of beginning of the tract hereinafter described and conveyed; thence continuing North, from said beginning point and along the East line of said Northwest Quarter, for 129.0 feet; thence South 64 degrees 35 minutes West for 214.3 feet; thence South for 185.6 feet to a point in the center line of a public road; thence North 53 degrees 44 minutes East for 230.35 feet to the point of beginning.

Containing 0.72 acres, more or less.

Subject to the use by the public for highway purposes to a strip of land 25 feet in width from off the East side of the above described tract, and also to a strip of land 25 feet in width from off the South side of the said tract, both said strips of land being, respectively, the West half, of the right of way of the North and West halves of the North half of the right of way of the East and West road.

Subject to all taxes both general and special for the year 1952 and thereafter, and subject to all special assessments and levies of taxes.

Subject to all conditions and easements of record.

The hearing will be held at the above described site.

Illinois Power entering nuclear era to help assure the region it serves an adequate supply of electric power

Announcement of plans to begin construction on Illinois Power Company's first nuclear generating plant this week is reassuring from the standpoint of meeting electric power needs here and elsewhere. With the natural gas and oil cost and supply problems, and with the burning of coal restricted to help achieve air purity, there is expected to be a serious gap — a

monumental power shortage — for a long period of years unless nuclear plants are permitted to go into operation at such locations as the Clinton, Ill., site. Someday, solar or other energy breakthroughs are likely. But until such new technologies are devised and perfected, there seems to be no real alternative to the peaceful utilization of atomic energy to turn the wheels of our civilization.

Newspaper Week theme—Keep the spirit of freedom alive

As the U. S. Bicentennial approaches, and as 1975 Newspaper Week (Oct. 5-11) begins, newspapers across America are taking time to reflect on the place they hold in our society. Traditionally, newspapers have sought to not only report events but to help shape them along constructive lines. Through the nearly two centuries of our free and independent republic, newspapers have recorded the critical moments in U. S. history. And they have served, and continue to serve, as defenders of basic human freedoms.

Even before the creation of the nation, when the colonies struggled for separation from the British Empire, the press served as a sounding board for new principles, new ideas, a rethinking of how man should treat his fellow man. This has not changed. If this role is to continue unaltered, they must dedicate themselves to their inherited role. The theme for this year's Newspaper Week, "Newspapers—Spirit of

Freedom," is intended to help stir such rededication. Basic purpose of the week is "to emphasize the continuing and essential role of newspapers in the maintenance of a free society."

William Pitt, in a speech before the House of Commons in 1783, said: "Necessity is the plea for every infringement of human freedom. It is the argument of tyrants; it is the creed of slaves." There are those today who would take away some of Americans' freedoms. The public has grown a bit apathetic toward some of the problems inherent in maintaining freedom and toward some of the pressures involved in maintaining a free press.

In opposition to such apathy, the Press-Record and other newspapers pledge to subscribe — not just in spirit, but in action — to the Newspaper Week objective.

Children threatened by return of preventable diseases

During the 1950s, polio claimed thousands of young lives and left thousands of children permanently crippled. Until recently, measles killed hundreds of children each year and was a leading cause of brain damage. In the early 1960s, a rubella epidemic killed 30,000 unborn children and caused serious birth defects in 20,000 more by infecting pregnant women. Then, within a relatively short span of history, vaccines were developed to protect children against these diseases and others. The vaccines were safe, effective and successful. Polio was virtually eliminated and a predicted rubella epidemic never took place.

This could be the end of a happy story, but it isn't. With time, people began to

forget about the diseases. Fewer children were vaccinated each year.

The diseases began to reappear, bringing with them the notorious complications that once struck fear in the hearts of the nation. Worse still, experts fear that the percentage of vaccinated children has fallen so low that isolated epidemics could again plague many communities.

"This need not happen, because the diseases can be prevented. All families are being asked to check their records, and to have their children vaccinated against polio, measles, mumps, rubella, diphtheria, tetanus and pertussis. No child should remain unvaccinated. The danger is too great.

The danger is too great.

Woman hurt as youths try to snatch purse

Goldie Isaac, Bethalto, was treated at St. Elizabeth Hospital at 10:50 p.m. Saturday for hip and leg injuries after she was thrown to the ground by two youths who attempted to grab her purse as she was approaching the entrance to the doctor's wing at the hospital.

She told police that the two youths followed her after she parked her car near 21st Street. As she approached the hospital entrance, one of the youths ran by her and grabbed her purse. She held to the strap and the second youth ran to her and also grabbed the purse, breaking the strap and throwing her to the ground.

She said she screamed and a security guard in the hospital came out and chased the youths who left without the purse. The boys were not caught.

Shoplifters flee from parking lot

Two women shoppers fled from Crossroads Plaza Shopping Center by auto Thursday after being stopped in the lot by the manager of Leader Department Store and agreeing to return to the store for a check of merchandise observed in the rear seat.

A salesgirl reported seeing the women leave the store with unpaid items and the manager got into his auto and chased the pair, catching them before they left the parking lot. The clothing items believed stolen from the store were not in the vehicle when the car owner was identified and located, police said.

TAPE DECK TAKEN

A tape deck was stolen from the car of David Agers, 30 Wilson Park Drive, while the car was parked in the driveway at his home. It was reported at 3:40 p.m. Saturday.

(Press-Record Photo)

Begin Ill. Power Co. nuclear plant

Construction at Illinois Power Company's 1,900,000 kilowatt nuclear generating plant site near Clinton, Ill., will begin Friday, company officials said.

The first of two 950,000 kilowatt units is scheduled to be in operation in 1981.

A limited work authorization for the plant has been granted by the Nuclear Regulatory Commission in Washington, the company was informed Thursday.

The order, issued after full examination of environmental considerations surrounding the plant proposal, allows certain preliminary construction to proceed at the site, six miles east of Clinton.

Further hearings by the NRC and its agencies on safety issues involved in construction must be completed before a full construction permit for the plant is issued.

First work on the planned \$1,400,000 plant comes almost five years after Wendell J. Kelley, president of Illinois Power, told a representative group of Clinton and DeWitt County residents and officials of plans to develop a generating complex on a 5,000-acre cooling lake.

The lake was created by damming the Salt Creek and the North Fork of Salt Creek at a point just north of State Route 10 east of Clinton.

The public meeting was on Oct. 26, 1970. At the time, the fuel for the plant had not been determined, but acquisition of 13,000 acres required for the plant began.

Later, it was determined that the plant would be nuclear and would consist of two 950,000 Kw units with the steam supply to come from two 200-Mw boiling water reactors.

An original schedule of 1980 opening for the first unit was because of

regulatory delays. W. C. Gerstner, vice president of Illinois Power, said Friday that Baldwin Associates (BA), contractors for the project, are prepared for a full schedule of construction beginning this week.

BA, a consortium of contracting firms, built the 1,900,000-Kw, three-unit, coal-fired IP plant at Baldwin, Ill., (completed this year). And it is currently pushing to complete a new unit, 450,000 kilowatts — at the IP Havana, Ill., plant, scheduled for operation in 1978.

Construction at Clinton will require up to 1,800 workers on the site at various times.

Current construction of the plant will be the establishment of recreational areas designed to provide full public use of the lake and its surroundings as a secondary benefit of the plant.

Boating, fishing, camping, hiking, nature areas and other recreational advantages are part of the IP commitment in the project, Gerstner emphasized.

Gerstner said the limited work authorization, granted Thursday, will allow such construction activities as grading, earth moving, road relocation, railroad sidings, office and warehouse buildings and other basic items.

Building the structure of the plant itself must await the final plan, which will be followed by follow safety hearings, he said.

Illinois Power Co., headquartered in Decatur, provides electric and natural gas service to about 15,000 square miles in Illinois, including the Quad-Cities area. It will be the company's sixth major power generating plant at this home, and its first nuclear plant.

Agree on treatment program

The threatened loss of \$50 million in federal and state aid for construction of secondary sewage treatment facilities to serve communities within the boundaries of the East Side Levee and Sanitary District was prevented last week in an agreement between the levee district, the city of East St. Louis and the village of Sauget.

The agreement was reached in a meeting called by Richard Briedland, director of the Illinois Environmental Protection Agency, at Bi-State Parks Airport at Cahokia, in which Briedland repeated the warning that unless officials of the area could resolve their differences over administration of the secondary treatment program, the \$50 million earmarked for the area would be given to other applicants.

Differences between the levee district, East St. Louis and Sauget developed several years ago during development of the Metro East Regional Treatment Agency made up of representatives of communities that would participate in the proposed areawide treatment program. Those differences involved "methods and responsibilities for administration of the program to build and operate the treatment system."

As a result of last week's meeting, Jack Scoville, president of the levee district, and William E. Mason, mayor of East St. Louis, agreed to go along with a demand by Paul Saugel, mayor of Sauget, that the plant, when it is built, would be administered by an independent management firm.

The three taxing agencies will join in an application for the treatment plant grant.

Meanwhile, a study of the treatment program to serve the area in parts of Madison and St. Clair County will be made with grant funds for which application has been made by St. Clair County.

Fire week

(Continued from page 1)

safe by not giving fire a place to start, Parente explained.

"Look at it from the other angle, 'Learn Not to Burn' means learning how to save yourself if you, or your clothes, should catch on fire, and learning how to escape quickly into the fresh air in case of fire where you live, work, study, play or just happen to be, he said.

"Go through the places where you live and work. Look for fire hazards, then get rid of them, or get an expert to help. Remember that misused and faulty electrical wiring and equipment are a major cause of building fires, along with smoking and matches, heating and cooking equipment, and children playing with matches.

"Also turn your attention to 'Learn Not to Burn' as it applies to people. Develop, learn and practice a home escape plan. When selecting wearing apparel, choose the most fire-safe fabrics and styles — especially for children and elderly persons.

"Finally, take 'Learn Not to Burn' literally by knowing, even practicing, what to do if your skin, hair or clothing catches fire. 'Drop and Roll' is the winning combination. Drop right where you are, indoors or out. Then roll over and over until the flames are out. If a coat, blanket or rug is handy, roll in it—but never, never run to find something in which to roll if it's not within reach," he emphasized.

Fire hazards abound in most households, Parente emphasized.

"Nearly every house is beset by at least some of the many conditions that cause fire, although families seldom take time to think about this.

"Now, during Fire Prevention Week, is an ideal time for families to check their homes carefully and get rid of fire hazards. Do not hesitate to ask your fire department to inspect your home for possible hazards.

"Topping the list of major causes of home fires is cigarettes, the use and disposal of smoking materials. Adults are the major offenders including those who persist in smoking in bed — but children, too, are responsible for starting tens of thousands of dwelling fires each year by playing with cigarettes, matches and lighters.

"Other major home fire hazards include those involving electricity — defective wiring, wrong size fuses, worn appliance and extension cords, and electric cords run under rugs.

"Rubbish that piles up in the attic, basement, closets, garage and yard can be treacherous. So can paint and flammable liquids, used and stored improperly; chimneys and flues that are dirty and obstructed; heating and cooking equipment which needs cleaning and repair; and open flames and sparks," the chief warned.

\$15,000 fire damage

Fire at 3:55 a.m. Saturday caused an estimated \$15,000 damage to the one-story home of Gene White, 216 Elm St.

An electrical short-circuit in a television was believed to be the

Press-Record fire drill underscores fire week

FIREFIGHTERS CONVERGE on the Granite City Press-Record office, 1815 Delmar Ave., for a drill to give the firemen experience at rescuing occupants from second floor windows, roofs and ways of fighting the fire inside and outside. The drill was held as a warm-up for National

Fire Prevention Week which began yesterday and continues through Saturday. Shown are the city's aerial truck, left, placing its ladder against a second floor window in preparation for a rescue, and a city pumper truck, at right.

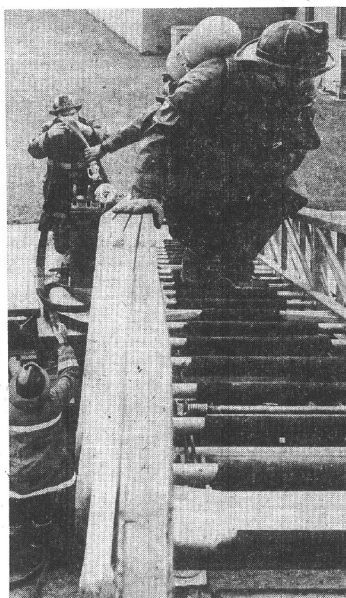

CLIMBING ONTO ROOF. Granite City firemen practice skills which would be required in fighting a fire in a large commercial building, such as the Press-Record. Shown on the south side of the building, from left, are Capt. Harry Hillman, Engineer Harvey Smalley, and Firemen Jim Pyle, Don Brown (on ladder) and Ray Schultz. Firemen hope to expand the drills to other commercial establishments to teach employees how to evacuate the building quickly and how to use fire extinguishers and to acquaint firemen with the layouts of the various commercial buildings.

REACHING SECOND FLOOR of the Press-Record, Fireman Carl Kalkbrenner prepares to help rescue a volunteer from the second floor during a simulated fire. The Press-Record was the first

commercial building selected in Granite City for a voluntary fire drill. Actual emergency conditions were simulated as fully as possible.

THE PATH TO SAFETY. as seen from the point of view of someone caught on the second floor during a fire, is this aerial truck ladder as firemen climb to rescue a volunteer. On the ladder is Fireman Bill Worthen with Fireman Carl Kalkbrenner behind him. Fireman Ray Romine is at the bottom of the ladder, feeding fire hose to those climbing up.

RESCUED. Press-Record advertising salesman Vincent Saputo climbs from a second floor onto the fire department's aerial ladder as Fireman Carl Kalkbrenner assists. The "rescue" was part of a mock fire drill conducted at the newspaper office.

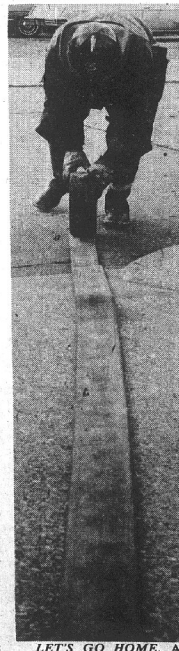

IN FULL FIRE GEAR. Fireman Gary Clark prepares to enter the Press-Record in a mock fire drill. His gear includes an oxygen mask and tank to protect him from heavy smoke in an actual fire.

AN INSIDE JOB for Fireman Ray Schultz as he simulates fighting a fire in the pressroom of the Press-Record. Hoses were pulled into various areas of the building, but the water was not turned on during the mock drill.

DISCUSSING DRILL'S VALUE after a mock fire drill at the Press-Record were, from left, Capt. Robert Nunn, Fire Chief Don Parente, and Paul Halbert, Press-Record general manager.

LET'S GO HOME. An unidentified Granite City fireman rolls up the fire hoses following a fire drill to mark National Fire Prevention Week.

Fire Prevention Week Oct. 5-11

25TH ANNIVERSARY of the Granite City Area PTA Council is celebrated at the first meeting of the 1975-76 school year at Russell Johnson School. Preceding the business session a covered dish dinner was served to 47 council delegates. Shown with the anniversary cake, front row, Mrs. Mary Lou Hudson, left, and Mrs. Dorothy Phelps, council president. Second row, from left, Mrs. Virginia Apperson, Mrs. Julie Gates and Mrs. Dorothy Baker.

Mitchell Area PTA Council observes 25th year

MRS. LOIS WEEKS
128 Cynthia Lane
531-1493

Mrs. Peg Pfeiffer of Old Alton Road has returned from two weeks' vacation in the East. She accompanied her husband, Joe, who is attending school at Fort Lee, Va. She also visited in Kentucky and West Virginia and saw her parents at Charleston, W. Va.

HONORED AT SHOWER
Mrs. John Winfield was complimented with a cradle shower last week at the home of Mrs. Eunice Winfield, 511 Fleming Place.

Those attending included the great-grandmother-to-be, Mrs. Angie Winfield and the grandmothers-to-be, Mrs. Jolene Hessler and Mrs. Eunice Winfield. Also present were Melody Winfield, Polly Tindall and daughters, Sherry, Leslie and Diana, Sylvia Winfield and daughters, Mary and Nancy, Diana Tindall, Cheryl Winfield and daughter, Jennifer, Debbie Winfield, Judy White, Sonnet Weeks, Joann Franko and daughter, Misty, Ann Easler, Nancy Norris, Marvis Chambliss, Kathy Schalkham, Bev Scatturo, Lois Weeks and Barbara Winfield.

Gabriel Shrine opens season

Gabriel Shrine 78 held its first meeting of the fall season. Escorted and introduced were five supreme committee members from District 24, four worthy high priestesses and five watchman of shepherds; past worthy high priestesses and seven past watchman of shepherds.

James Olson was elected and installed as watchman of shepherds for the remaining months.

The next regular meeting will be an all officer party.

Table decorations were flower arrangements made for the "Charity Days" sale.

The Granite City Area Council of Parent-Teacher-Associations began its 25th year with a potluck dinner at Russell Johnson School, attended by 47 members.

Council president Mrs. Dorothy Phelps gave the welcome and announced the theme for this year is "25 Years of PTA People Taking Action."

Mrs. Mary Lou Hudson, program chairman, submitted various topics to be considered for programs during the year. The list included the Bicentennial, school and bus safety, school vandalism, crime factor, legislation for full funding, health and safety, juvenile, protection and alcohol.

Mrs. Charlene Pohlman, juvenile protection chairman, reported working on a program dealing with instilling self values in fourth, fifth and sixth grader pupils. Data

compiled on the subject will be ready for the January meeting. The president said a basic PTA course will be conducted in October and the fall conference is set for Nov. 6 at the Round Table Restaurant, Collinsville, with the local council as host. Theme for the meeting is "PTA-Who Needs It?"

After the business discussions, Dale Rea, assistant to the Granite City superintendent of schools, answered questions relating to student field trips, the current lunch program and other school projects for students.

Council education chairman Arthur Menendez reviewed the last school board meeting.

Mrs. Phelps announced the next council meeting on Nov. 20 will be held at Frohardt School. The program for the evening will be presented by Channel 9.

Leo Scannells mark 40 years

Mr. and Mrs. Leo Scannell, 2637 Center St., were honored on their 40th wedding anniversary at a surprise dinner at Charlie's Restaurant last week, hosted by their son and daughter-in-law, Mr. and Mrs. Wayne Scannell of Granite City.

After dinner the group visited Our Lady of Snows Shrine in Belleville and returned to their son's home for a family party.

Among those visiting with the guests of honor were Mrs. Ann Eberhart of Mitchell, a sister of Mrs. Scannell; Mrs. Mary Koepf of Warsaw, Ind.; Mr. Scannell's sister; and a friend, Tony Heiman, also of Warsaw.

The honorees are lifelong residents of the Quad-City area and belong to Sacred Heart Catholic Church. Mr. Scannell retired in 1972 from General Steel Industries after 26 years of service. His wife is an employee of Mrs. Seibold's Bake Shop.

Mr. and Mrs. Scannell also

have five grandchildren, Mike, Janet, Lisa, Julie and Susan Scannell.

BUTTERFLY CLUB FETES
MRS. LORRAINE MCILVOY
Mrs. Juanita Rosenberg, 2264 Cleveland Blvd., entertained the Butterfly Club last week in her home, and honored Mrs. Lorraine McIlvoy on her birthday.

Those excelling in the games and winning prizes were Mesdames Ilene Willis, Edith Tyson, Mary Lou Claussen and the honoree.

The hostess served refreshments to those named and to Mrs. Phelps announced the next council meeting on Nov. 20 will be held at Frohardt School. The program for the evening will be presented by Channel 9.

GRILLED LIVER DINNER
EVERY DAY AT GRANT'S
—11.55—

Legislators to keynote Business Women's event

Local mayors, area political figures and the state Business and Professional Women's president will be among the dignitaries attending the Oct. 15 dinner meeting of the Granite City Business and Professional Women's Club at Charlie's Restaurant. The dinner will be open to the public.

Mrs. Edna Kohlbrecher, legislation chairman for the local BPW club, entertained committee members last week at a planning session in her home, 2452 Center St.

The hostess announced acceptance to the dinner have been received from State Senator Sam Vadalabene, State Representative Everett G. Steele, Granite City Mayor Paul Schuler, Madison Mayor Mike Sasyk and Venier Mayor William "Mike" Ebersoldt, among other political and civic leaders.

Honored guest will be Mrs. Catherine Burton of Collinsville, president of the Illinois Federation of Business and Professional Women's Clubs.

After dinner entertainment will be provided by the Madrigal Singers of Granite City High School South under the direction of Mrs. Mary Ann Bright.

Reservations currently are being accepted for the 6:30 p.m. dinner by Mrs. Lois Wetton at Lois' Fashion Hut, 4306 Nameoki Road, or by calling 797-0938.

Others at the planning meeting were Lorene Sadrakula, Betty Nugent, LaVelle Stephens, Dolores Klesh, Marionrose Lambert, Marie Hampton, Gladys Newman and Mrs. Wetton.

CB RADIO STOLEN

A citizen band radio valued at \$120 was stolen from the car of Robert Allen while it was parked in front of his home at 2300 Roberts Ave., it was reported to sheriff's deputies at 6:15 a.m. Friday.

TO MARRY, Miss Kathleen Anne Gavin and Kenneth A. Reuter Jr., whose engagement and plans for a May wedding are being announced by her parents, Mr. and Mrs. Thomas J. Gavin, 2841 Fortune Drive.

GRANITE CITY PRESS-RECORD
Mon., Oct. 6, 1975 Page 13

Reuter-Gavin betrothal told

The engagement of Miss Kathleen Anne Gavin and Kenneth A. Reuter Jr., was announced at a graduation party honoring the bride-elect by her parents, Mr. and Mrs. Thomas J. Gavin, 2841 Fortune Drive.

A graduate of Granite City High School South, Miss Gavin received her degree as a teacher in August from Southern Illinois University at Edwardsville. She is now employed in the Granite City School District.

Her fiancé, a son of Mr. and Mrs. Kenneth A. Reuter Sr., 2125 Cottage Ave., also graduated from South High School and SUE. He is working as a chemist for the Tretolite Corp. in Webster Groves, Mo. The engaged couple is planning to be married on May 15.

THE SCHERMER BULLETIN

Evidently the bulletin is well read. Last week we told you about Jack Salmon and Pork Loins and we sold quite a few. Some very unusual canned goods sales are coming up, so keep your eyes open for "case" sales. We continue to get many "unannounced" produce specials, like Ripe Tomatoes, 4 lbs. for \$1.00. Too late for last Monday's ad, we still started them in and they did well without the paper. We heard 49¢, 59¢, and 69¢ on tomatoes last week, so 25¢ was a real bargain.

The temporary redemption center in the garden shop is functioning well and we hope that by next week we can make an announcement about the new center. Some unusual fall items now in our Garden Shop. Stop in and browse around; new items arriving every day.

Linda Rodriguez weds Army Lt. Thomas Branz

Bouquets of white mums interspersed with greenery adorned the altar and burning tapers in branched candelabra illuminated the sanctuary of the Fairmont Baptist Church, Saturday evening, for the wedding of Miss Linda Jo Rodriguez and Second Lieutenant Thomas Leonard Branz, U. S. Army.

The Rev. Kenneth Zike officiated at the double ring ceremony at 6:30 in the evening. Parents of the bride, Mr. and Mrs. Joseph Rodriguez, reside at 2715 N. 39th St., Fairmont City. The groom is a son of Mrs. Dorothy Branz, 2532 N. 31st St., Fairmont City and David Branz of Fairview Heights.

Organist Thomas L. Enders of St. Louis, played and sang, "One Hand, One Heart" prior to the arrival of the bridal party and during the service played a medley of love songs.

Escorted to the altar by her father, the bride wore a full length jersey empire style gown fashioned with a softly gathered skirt and attached full chapel train.

Venise lace accented the high neckline, traced the oval yoke and enhanced the long full sleeves gathered at the wrists into wide cuffs.

A lace Juliet cap secured her melowy ligh bouffant veil,

bordered with a delicate lace trim. She carried a bouquet of white baby mums, white baby's breath and sprigs of green foliage centered with a white orchid.

Maid of honor was Miss Debra Kay Rodriguez, a sister of the bride and bridesmaids included Misses Tammy and Sherry Bean, nieces of the bride and Miss Catherine Branz, the groom's half sister.

They were gowned alike in long emerald green polyester jersey dresses created with empire waistlines and bell style sleeves.

Each held a bouquet of chrysanthemums and baby's breath in autumn hues.

Serving as best man and groomsmen, respectively, were Louis Branz, Jamie Menendez, Raymond Muniz and Michael Muniz, all cousins of the groom.

Escorting the guests to their seats was Larry Menendez, another cousin of the groom, and Joseph Simon.

After the ceremony guests were received by the newly married couple, at a reception held at the Round Table Restaurant in Collinsville.

Mr. and Mrs. James Menendez, an uncle and aunt of the groom, entertained members of the wedding party and their immediate families at

MRS. THOMAS L. BRANZ, the former Miss Linda Jo Rodriguez, who was married Saturday evening at the Fairmont (Ill.) Baptist Church. She is a daughter of Mr. and Mrs. Joseph Rodriguez, 2715 N. 39th St., Fairmont City.

a dinner following the church rehearsal in their home, 2504 N. 42nd St., Fairmont City. For her daughter's wedding

Mrs. Rodriguez chose a formal length gown of deep coral pink polyester knit, featuring a Venise lace bodice with long sleeves.

The groom's mother, Mrs. Branz, selected a silver gray polyester dress designed with a Puritan cape collar, gathered back and long flowing sleeves caught at the wrists with three buttoned cuffs. A self belt and silver buttons accented the gracefully draped floor length skirt.

A 1970 graduate of East St. Louis High School, the former Miss Rodriguez received a bachelor of science degree at Southern Illinois University at Edwardsville with a major in medical technology. She completed a year's training at Burnham City Hospital in Champaign, Ill., in medical technology.

The groom is a graduate of Edwardsville High School and attended the University of Maine during a summer session. He graduated in May 1974 from the University of Illinois at Champaign with a degree in political science and was a member of the ROTC there. He was commissioned as a second lieutenant in the Army following graduation, and is presently stationed at Fort Polk, La.

Lt. and Mrs. Branz departed for a wedding trip to the Virgin Islands and will return at Fort Polk upon their return.

Beverly Mulnik becomes Mrs. Robert C. Bargiel

Bouquets of green, blue, yellow and pink carnations decorated the altar of St. Mark's Roman Catholic Church for the afternoon wedding on Aug. 30 of Miss Beverly K. Mulnik and Robert C. Bargiel. Organist Donna Kromraj accompanied Sandy Baker as she sang several selections.

Father James Neuman officiated at the double ring ceremony at 2 o'clock in the afternoon.

The bride is a daughter of Mr. and Mrs. Sigmund A. Mulnik, 626 Lincoln Ave., Venice. Parents of the groom, Mr. and Mrs. Stanley Bargiel, reside at 2822 Sunset Drive.

Escorted to the altar by her father, the former Miss Mulnik wore a floor-length gown of white polyester organza over taffeta. Imported Alencon lace, beaded with seed pearls and sequins, was applied to the empire bodice and traced the scalloped neckline.

Lace motifs accented the long, sheer sleeves and cuffs and enhanced the A-line skirt, hemmed with scalloped Venise lace. The wattleau chapel train was trimmed with scattered lace appliques.

A matching lace headpiece secured the long veil of imported bridal illusion, bordered with a wide scalloped lace. She held a colonial bouquet of yellow roses, white carnations and lily's breath, festooned with ribbon streamers.

Maid of honor Miss Laurie Schmidt chose a yellow process-style dress made with long sleeves and a square neckline, complemented with a pipelore of variegated dots Swiss.

The bridesmaids, Miss

Christine Bargiel, Miss Betty Mulnik, sisters of the bride, and Miss Judith Kitta, the groom's cousin, wore identical gowns in blue, green and pink.

Each carried a bouquet of carnations in hues to match her attire.

A white frock similar to the bridal gown was worn by the flower girl, Denette Jeti, a cousin of the groom. She carried a small bouquet of multi-colored blossoms.

Roger Ruesing, the bride's cousin, served as the ringbearer.

Attending the groom was John Kromraj, his cousin, as best man. The groomsmen were Henry Mulnik, the bride's brother, Thomas Gordon, a cousin of the bride, and Lon Weaver.

Mike Leatherman, the bride's brother-in-law, and John Gill, the groom's cousin, seated the guests.

The newly married couple left for a wedding trip to Tan-Tar-A Resort in Missouri and Little Rock, Ark., from a reception held at Polish Hall in Madison.

Mr. and Mrs. Bargiel, parents of the groom, hosted a rehearsal dinner at Polish Hall on the evening prior to the service.

The bride is employed as a clerk-typist by the U. S. Defense Mapping Agency Aerospace Center, St. Louis. She is a 1973 graduate of Venice High School.

A 1970 graduate of Granite City High School, the groom works as an engineering technician for the Illinois Department of Transportation. They are now residing in Granite City.

MRS. ROBERT C. BARGIEL, the former Beverly K. Mulnik, whose wedding took place at St. Mark's Roman Catholic Church, Venice. She is a daughter of Mr. and Mrs. Sigmund A. Mulnik, 626 Lincoln Ave., Venice.

Honor Circle plans bazaar

Mrs. Winifred Reimers selected "Handicaps and Greatness," written by Donald E. Williamson, as the devotional topic to present at a meeting of the Honor Circle at Meetinghaus United Methodist Church.

She also read a poem, entitled "Gospel in Trees," by Maynard Saxon.

Circle members met in the morning for a quilting session and were served a dessert course at noon by Mrs. Pearl F. Campbell.

Mrs. Beulah Fox, circle chairman, presided at the afternoon business session and Mrs. Augusta Pender gave a report on the executive board meeting of the United Methodist Women.

A lengthy discussion was held on the annual church bazaar in November. Mrs. Fox reported 31 sick calls were made during September.

Others attending were

Mesdames Mildred Cudiff, Eva Evans, Clara Wadlow and two guests, Mrs. Edith Eitherto and Mrs. Lucy Weaver.

Verda McDonald marries Samuel Dean Reynolds

Miss Verda Doreen McDonald and Samuel Dean Reynolds were united in marriage on Sept. 6 at the Bethel Chapel Pentecostal Church, 24th Street and Ohio Avenue, with the Rev. Clifton Galibier officiating. Bouquets of white gladioli and pastel colored daisies were flanked by tiered candelabra holding burning tapers to decorate the sanctuary.

Mrs. Kaye Greenhill sang "Twelfth of Never," "Till There Was You" and "Wedding Prayer," accompanied at the piano by Miss Luena Keeton. Parents of the bride are Mr. and Mrs. James McDonald of Salem, Ky. The groom is a son of Mr. and Mrs. Dairi Reynolds of Edwardsville, formerly of Granite City.

Escorted down the white carpeted aisle and given in marriage by her uncle, James Robert McDaniels, the bride wore a gown of white peau de soie styled with a scoop neckline and long tapered sleeves.

The fitted bodice was designed with an overlay of Chantilly lace and the A-line skirt was accented with lace motifs, which were repeated on the detachable train and bordered in lace.

A forward headpiece held in place her tiered veil of illusion and she carried a bouquet of white daisies and baby's breath.

Miss Sharon McDonald, a sister of the bride, was maid of

honor. Miss Connie Lawrence and Miss Dairlyn Reynolds, the groom's sister, were bridesmaids.

They wore long dresses in pastel shades fashioned of flocked gingham and matching picture hats. Each held a bouquet of matching daisies with baby's breath.

The flower girl, Mary Alice Reynolds, a sister of the groom, was dressed in a pink gingham frock and carried a basket of daisies.

Richie Greenhill, the groom's cousin, carried the rings.

Serving as candlelighters were Miss Debra Elmore and Jeffrey Reynolds, a cousin and brother of the groom.

James L. Elmore, the groom's cousin, was best man. Craig Reynolds, a brother of the groom, and Michael Nickell, Timothy and David Elmore, all cousins of the groom, completed the corps of groomsmen and ushers.

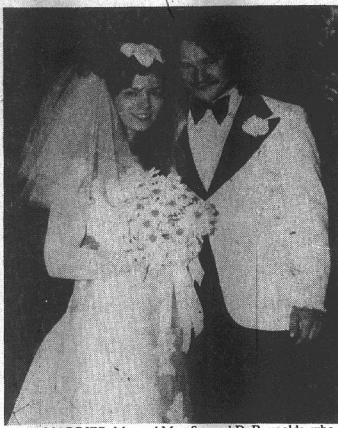

For her daughter's wedding, Mrs. McDonald chose a full-length shirtwaist dress of dusty pink polyester with matching trim and accessories.

The groom's mother, Mrs. Reynolds, was attired in a formal-length light blue gown featuring long sleeves and complemented with silver accessories. Both mothers wore white daisy corsages.

Mrs. James L. Elmore, an aunt of the groom presided over the guest register. Immediately following the ceremony a reception was held at the Tri-Cities Area YMCA.

A rehearsal dinner was hosted by the groom's parents at their home. The bride graduated this year from Livingston Central High School. Her husband is a 1973 Edwardsville High School graduate.

After a honeymoon trip to Kentucky Lake and the Lake of the Ozarks, the couple is residing in Granite City.

MARRIED. Mr. and Mrs. Samuel D. Reynolds, who were united in marriage at Bethel Chapel Pentecostal Church in Granite City. Formerly Miss Verda Doreen McDonald, the bride is a daughter of Mr. and Mrs. James McDonald of Salem, Ky.

Jolly 12 marks 54 years

Members of the Jolly 12 pinocle card club met at Charlie's Restaurant on Thursday to celebrate the 54th anniversary of the club.

During the luncheon meeting, Mrs. Kathryn Smithson, who has served as president for the group for 16 years, announced the club was organized in 1921 and has met in the homes of the members since that time.

The president also noted the only charter member of the group, still living is Ms. Louise Genard.

Members also honored Mrs. Jean Barnes who has been secretary of the club for six consecutive years.

Plans were finalized for a Christmas party to be held Dec. 18 at Charlie's Restaurant. Mrs.

Barnes will host the next meeting in her home in Edwardsville.

Card games were played during the remainder of the day and prizes were awarded to Mesdames Verna Michel, Mable Lehn, Pauline Stephens, Kathryn Smithson and Jean Barnes. Also present were Mrs. Ardell Lange and Mrs. Penny Caskey.

STEAL \$139 RADIO

Jane Ellis, 2204 Grand Ave., reported Thursday that a thief broke the rear window on her auto and removed a 23-channel CB radio, valued at \$139, while the vehicle was parked at her home.

Garden Study Club hears Mrs. Lehman

Mrs. John Lehman spoke on "Indoor Plants" as part of a program presented last week at a meeting of the Garden Study Club at the home of Mrs. W. S. Cooley, 2715 Center St.

Each member answered roll call with the name of her favorite broad leaf evergreen.

Mrs. Cooley, club vice-president, presided and announced the District 5 board meeting will be held Oct. 16 at Scott Air Force Base. The Presidents' Council will meet Oct. 23 at the Signal Hill Lutheran Church, 8100 W. Main St., Belleville, with the Winstanley Garden Club as hosts, she said.

A dessert luncheon was served by the hostess to Mesdames Rolla Grewell, Clifford Mang, Bonard Maples, George Smolich, Bert St. Ivary, Ben Seymour and C. E. Eads. The next gathering will be with Mrs. B. W. McKissick, 2976 Iowa St.

Mitchell PTA to meet Thursday

The regular monthly PTA meeting of Mitchell school will be held at 7:30 Thursday night featuring a program on dried flower arrangements to be demonstrated by Walter Wisniewski, a fifth-grade teacher at the school.

Also on the program will be a detailed explanation of the new resource room presented by Richard Lucido, special education teacher.

Plans for the meeting were completed at a board meeting conducted by the president, Mrs. Vito Elliott.

Mrs. Mary Whiteside, ways and means chairman, led a discussion on proposed projects for the forthcoming year.

Mrs. Elliott said parents are urged to attend to vote on final plans for the school picnic.

Bell's free book, "Telephone Tips to Save You Time and Money." It tells you how to hold down the cost of Long Distance, what to do about bad connections and a lot more. You can get a copy free, just by sending this coupon to Illinois Bell.

Approve Festival's '76 season; continue SIUE as operating unit

The board of directors of the Mississippi River Festival, Inc., after hearing reports of record-breaking attendance and a financial profit for the 1975 season, voted Thursday to sponsor a 1976 season and to renew the authorization of Southern Illinois University at Edwardsville as general operating agent for the Festival.

A highlight of the board meeting, held at noon at the Bel Air Hilton Hotel in St. Louis, was an announcement by State Sen. Sam Vadalabene of Edwardsville that he is making arrangements through the Illinois Arts Council for the Chicago Symphony Orchestra to begin a Downstate tour of Illinois at the Festival on the SIUE campus next year.

Lyle Ward, general manager of the River Festival, also announced that programming already being negotiated for next year includes per-

formances by the 300-member Scottish National Chorus, appearing in residency with the St. Louis Symphony Orchestra and presenting works never heard before in the St. Louis metropolitan area.

Ward said the board's authorization for next year are the earliest starts toward development of a new season in the seven-year history of the Festival. He said, that, in the past, the board has not decided until winter or even spring to hold another festival season.

President John S. Rendleman of SIUE, who also is president of MRF, Inc., presided at the board meeting and expressed appreciation to everyone who had a role in making the 1975 season the most successful on record.

According to the report of the treasurer, Ernest A. Karandjeff of Granite City, the season produced total income of \$724,175, with expenses of \$722,653, for a net profit of \$1,521.

Total attendance exceeded 232,000. Reports on the coupon book campaign indicated total sales of \$70,240, with \$22,200 attributed to the efforts of bi-state volunteers under the direction

of Mrs. Sue Hepler and Mrs. Jane Saghier, and \$19,860 to business and industry leaders under the direction of Russell Solomon and Richard Shomaker.

Vicky Holt, concert manager of the Festival, said more than 6,000 persons from senior citizen and other special groups were hosted at the Festival through an audience development grant from the National Endowment for the Arts (NEA).

She pointed out that a total of \$80,000 in grants for the NEA, Illinois Arts Council and Danco Touring Program helped make possible a record number of fine arts and educational programs at this year's Festival.

Mrs. Holt said half of the 48 programs this year were devoted to the fine arts, and she reported that the chamber music series was a sell-out at all four concerts.

She also acclaimed the dance program as a success, with six master's classes being filled to capacity while the Eric Hawkins Dance Co. was in residence.

According to Mrs. Holt, more than 320 volunteers, assisted with the Festival, and promotional presentations concerning the Festival were made to nearly 50 organizations.

A report by Dr. Albert W. Triant of Granite City, chairman of the Friends of the MRF, contributions through this group totaled \$18,959.

Mrs. Holt revealed that 228 SIUE students were employed at the Festival. They were paid more than \$50,000, enabling many of them to continue their education during the summer quarter at the University.

She emphasized that an effort was made to give students employment in their major fields, thus enhancing their educational experience.

Ward announced a number of improvements being planned for next season, including additional reserved seating for those who purchase advance tickets.

He said plans are being developed to offer more parking and make other site improvements.

Ward said gift certificates for Festival tickets will be available for those who wish to give them as Christmas presents this year.

Ward said he especially was pleased with the fact that the

family programs were financially successful this year. He said attendance at such programs more than doubled over last year.

Gordon Burroughs of Edwardsville was elected to fill a vacancy on the board of directors, and President Rendleman appointed Harold R. Fischer of Granite City, Nicholas P. Veeder and Richard Shomaker to a committee to nominate officers for next year.

The president also announced that the next meeting of the MRF board will be held Jan. 15.

Home sought for delinquent boys, 13-17

Mature couples are being sought by the Madison County Probation and Court Services Department to serve as foster parents for delinquent children from the ages of 13 to 17.

These are children who have been found delinquent and placed on probation by the Juvenile Court and who either cannot be, or refuse to be, returned to their families.

When ordered by the Juvenile Court, it is the Probation Department's responsibility to provide foster care placement for delinquents.

At present, there is an urgent need for foster homes to accommodate adolescent males, it was announced.

Both temporary and long-term foster home placements are needed. Reimbursement will be made to foster parents for authorized expenses, including room, board, clothing, medical expenses and spending allowances for the youths.

Persons interested in becoming foster parents through the Probation Department's program can contact John F. Janssen, resource coordinator, Madison County Probation and Court Services Department, Edwardsville, by calling 692-4450.

Legion district caucus, seminar at Greenville

A post commanders' and adjutants' seminar will be held in conjunction with the American Legion's 22nd District fall caucus to be held at the American Legion Home in Greenville Sunday, Oct. 12.

The seminar will start at 12:30 p.m. preceding the 2 p.m. caucus, which will consider the American Legion's winter programs and initiate the 33rd annual "Gifts to the Yanks who Gave" program.

The "Yanks" program provides Christmas gifts for all hospitalized war veterans throughout Illinois.

Members of the American Legion's 30 posts within the district are being urged to attend. The district area includes the counties of St. Clair, Monroe, Madison, Bond and Washington.

Motor fuel tax allotments made

Illinois municipalities have been allotted \$5,156,894.96 as their share of motor fuel tax paid into the state treasury during August, according to the Illinois Department of Transportation.

Motor fuel tax funds are allocated monthly to the various municipalities in Illinois for their streets and highways. The monies allocated are computed on the basis of population.

August allotments to Quad-City municipalities included \$34,340 to Granite City, \$5,945 to Madison and \$3,951 to Venice. Counties in Illinois were allotted a total of \$3,698,809 outside Cook County. Madison County's allocation totaled \$114,435.

Illinois townships were allotted a total of \$2,549,032 with townships in Madison County receiving \$31,398 of that amount.

Fire unit ok's tax warrants

Trustees of the Long Lake Fire Protection District have approved the sale of \$18,000 in tax anticipation warrants and used the funds to pay \$8,000 to the Volunteer Fire Department under last year's contract and \$10,000 under this year's contract. It was reported Friday. In a regular meeting at the Long Lake Fire Hall, the board of trustees also approved a resolution fixing the annual salary of the board's attorney at \$700, increased from \$400.

JUNGLE OF WEEDS

clogs much of the 23rd Street drainage ditch, resulting in requests by City Council members that the City Street Department do something about cleaning it out. Weeds and small trees have sprouted from silt in the ditch, and from the ground along the edge of the ditch. This view is looking toward 23rd Street as the ditch turns southward to skirt Nameoki Road. The ditch extends under Highway 162 to carry stormwater drainage to Horseshoe Lake. A portion of the cement ditch may be seen at lower right.

Specialized Services workshop provides jobs for handicapped

WELCOMING VISITORS to a Specialized Services open house in the OATH building were Jeannie Livesay, work activity supervisor for the center, left, and Ann Gram, supervisor of sheltered workers. The work of the handicapped in the sheltered workshop was displayed during the open house.

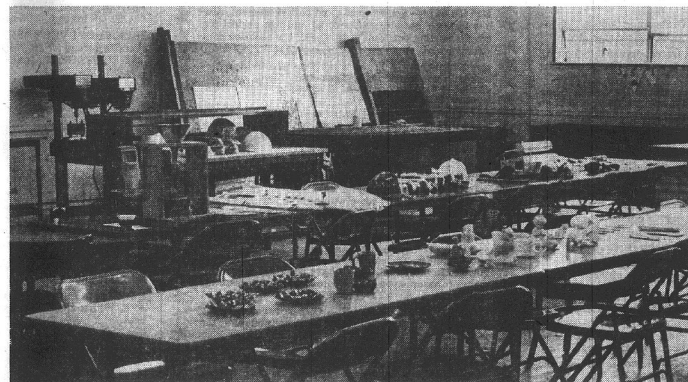

SPACIOUS WORKING AREA for handicapped in the Specialized Services program in the OATH (Organization for the Advancement of The Handicapped) building at 612 State St., Madison. Workers produce a

variety of items using many differing skills. Visitors in the background examine some of the items produced in the workshop.

(Press-Record Photo)

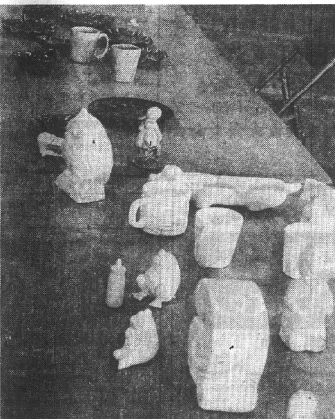

SHOWING ARTWORK of handicapped students during an open house at the OATH building, 612 State St., was Nancy Hulslander, left, director of work activities at the Specialized Services workshop in that building, and Jeannie Livesay, work activity supervisor.

WORKSHOP AREA at the Specialized Services sheltered workshop for the handicapped where products made by the workers were on display at an open house. In the foreground are ceramic items and in the

background are the hardhat and respirator reconditioning area, left, and the floor mat production area, right.

(Press-Record Photo)

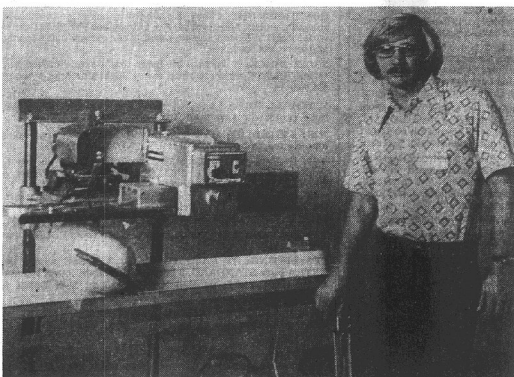

KILN DRIED PRODUCTS made by handicapped workers were among the items shown during a Specialized Services open house. In the foreground are white ceramic cups and statuettes and in the background are colored ash trays, cups and plates.

(Press-Record Photo)

COOKING INSTRUCTION is among the wide variety of assistance offered in the Specialized Services program for the handicapped at 612 State St., Madison. Linda Bozarth, special education instructor for Specialized Services, helps prepare the kitchen for visitors during an open house.

(Press-Record Photo)

SEALING MACHINE which encloses reconditioned hard hats in air-tight plastic is demonstrated here by Clark Luster, work adjustment supervisor for Specialized Services, during an open house at the local sheltered workshop. Handicapped workers clean and recondition hard hat shells for Granite City Steel and place a new framework inside. The sealer shown is the final step, after which the hats are returned, like new, to the steel company.

(Press-Record Photo)

Capt. Wright awards slated

The mass communications department of Southern Illinois University at Edwardsville will present two Capt. Donald T. Wright awards this year, according to John Regnell, chairman of mass communications at the University. This year's awards will go to Jim Detjen of the Poughkeepsie, N.Y., Journal for his special report in the Journal, "The Hudson is Clean," and to the Workboat, a monthly maritime journal edited and published by Harry L. Peace. "The Hudson is Clean" was a 16-page supplement reporting on the ecological condition of the Hudson River. The report was prepared and written by Detjen, a lifelong resident of the Hudson Valley. Detjen has been at the Poughkeepsie Journal since May 1973 and writes on news of Northern County and

environmental topics. The Workboat is written for a reading audience of riverboat pilots, their crews and anyone with an interest in inland water travel. The magazine contains news about river shipping, features on river work boats, and advertisements for marine services and equipment.

The Capt. Donald T. Wright awards are given in recognition of distinguished writing in maritime journalism. Wright was editor and publisher of the Waterways Journal from 1922 until 1965.

The awards will be presented Nov. 6 at the 80th annual meeting of the Ohio Valley Improvement Association in Cincinnati. Regnell will make the presentations.

Hospital notes

LIONS CLUBS TO HELP BLIND on Candy Day which is scheduled throughout Illinois on Friday, Oct. 10, when club members will offer free candy for a donation to help the blind and sight conservation. Officers of the Pontoon Beach Lions Club, making plans Monday for "Candy Day," are, from left, Donald D. Patrick, treasurer; Robert Carroll, secretary;

Jerry Henderson, president, and Vince Thorpe, chairman of the event. Explorer Post 255, sponsored by the Pontoon Beach Police, will assist with the project. The Madison Lions Club also will participate in "Candy Day." Lions members in Illinois raised more than \$9 million dollars last year. (Press-Record Photo)

PARKED VAN on Belmore Village parking lot was struck by this auto at 3:10 p.m. Thursday, resulting in injury to Mrs. Katherine A. Nemeth, 62, of 2900 Saratoga Ave., driver of the car. The van belongs to John Loi Jr. of Chesterfield, Mo. Mrs. Nemeth was treated at St. Elizabeth Hospital and released.

William F. Kopis passes bar exam

William F. Kopis, 2707 Harvey Place, has passed the bar examination for the State of Illinois and is now associated with the law firm of Bock and Stenger of Belleville. The attorney graduated with honors in May from St. Louis University where he received his juris doctor's degree. He earned his undergraduate degree in 1969 from Southern Illinois University at Edwardsville. Kopis is a native of Elyria, Ohio. Prior to August 1965 he served four years in the U. S. Air Force. While attending college he also was employed part-time as a laboratory technician at St. Elizabeth Hospital. His wife, Carole, received her master's degree in June from SIUE. She teaches 7th and 8th grade science classes at Coolidge Junior High School. The couple has an 11-year-old son, Jeff.

Indian research by grade pupils

Students of grades 4 and 5 at Sacred Heart School celebrated 1975 American Indian Day in a special way. For several weeks, they had been doing research on the lives of the many tribes of Indians that had lived and are still living on American soil. The products of their research were displayed during an afternoon for other students and for teachers of the school to view. Diagrams were made by some fourth graders. They also made Indian rhythm bands and displayed replicas of other aspects of Indian cultures. Fifth graders made maps showing the past and present locations of numerous Indian tribes. They also made totem poles and representations of Indian homes. Miss Cynthia Pirok teaches the fifth grade and Miss Mary Kromajr the fourth grade.

AMERICAN INDIAN DAY. Replicas in the photo are of Indian dwellings, weapons and totem poles. Sacred Heart students from left to right are: John Eric Foster, 4th grade, James Cormier, 4th grade, John Rutledge, 5th grade, Debby Miller, 4th grade and Paula Koch, 5th grade.

Park ID cards to be issued

Identification cards will be issued from 7 to 9 p.m. at the Wilson Park ice rink Thursday, according to Harold Brown, park superintendent. Those applying must be residents of the park district and must present proof of residence, such as a utility bill. The cards cost 75 cents and are issued for a three-year period.

Italian Ravanelli's SEAFOOD SALAD BOWL

Chunks of Alaskan King Crab Meat, Shrimp, Baccala imbedded in crisp iceberg Lettuce and garnished with our new seafood salad dressing and chopped egg. Anchovies if so desired.
